

Current issues facing motorcycling from Brussels

**John Chatterton-Ross
Director, Public Affairs**

The most important issues for FIM Europe – at this time

- The European Court of Justice and the case of Mr Vnuk (insurance problems in our sporting events)
- PPE – Personal protective Equipment standards – gloves, boots, jackets, clothing and one piece suits (not helmets – they are dealt with by UN regulations)
- EU “White paper” on transport. (Not to forget Europe’s 37 million riders!)
- Euro 5 emissions standards for powered two wheelers – threat of city bans
- Relations between FIM, FIM Europe, and the Federation of European Motorcyclists Associations - FEMA
