## Cancelled the EMX65 and EMX85 round in Kaunas (Lithuania)

The organisers of the North-Eastern preliminary round of the EMX 65cc and EMX 85cc Motocross European Championship, scheduled on the 12th of May 2013, were forced to cancel the event because of the serious damages to the track of Kaunas (Lithuania) after heavy exceptional rainfalls.

Unfortunately, the short time available does not allow to perform the necessary work to make the track accessible again and the organizers had no other choice but to cancel the event.
