First round of the Dragbike European Cup Super Street Bike in Santa Pod (UK)

The first round in the Dragbike European Cup Super Street Bike was held from the 24th to the 27th of May in Santa Pod (UK) in front of 18000 spectators. The weather was rainy on Friday and sunny the rest of the days. The new track was well prepared by the organisers.

This second year of the Super Street Bike Class in FIM Europe shows even better results than 2012 already. Winner of the race was Dave Holland number 4 in 2012, ACU England. Runner up is last years Champion Graham Balchin. 2 European Records were also set by last years number 4. Dave Holland ET record set at 7.1991 sec. and speed record set at 331,53 kmh.

The next round will take place from the 9th to the 11th of August in Hockenheim (Germany).
