On the 10th and 11th August, the FIM Europe Secretary General, Mr Alessandro Sambuco visited Warsaw and Krakow in order to start the organization of the 2014 FIM Europe Congress. Together with the PZM President, Mr Andrzej Witkowski, and with the PZM Vice-President and FIM Europe Treasurer, Mr Michal Sikora, it has been prepared the planning of the next important FIM Europe event, represented by its Congress, which will lead to the election of the new President and of all elective posts for the next four years.

The Congress will take place in the beautiful city of Krakow, from the 3rd to the 6th of July 2014. The meetings as well as the General Assembly will be held at the Sheraton Krakow Hotel and, moreover, it has been foreseen also another possibility of accommodation at the Hotel Kossak, distant only 200mt. from the Sheraton. Both hotels are near the historical center, under the Castel of Wawel.

As usual touring activities will be arranged during the Congress: a guided visit of the city, free of charge, on Friday and another paid one on Saturday morning. The city of Krakow will offer surely an unforgettable frame to this Congress, thanks also to its architectural, artistic and historical contents.

The experience of the PZM, one of the most important Federations of the Centre Europe, already organizer of the previous 2000 Congress always in Krakow, has made possible to have already a logistic plan and a detailed programme.

The General Secretariat will start, in considerable advance, the sending of the forms for the hotel bookings, because of the Sheraton Krakow Hotel needs to have the confirmations soon, considering the high presence of tourists foreseen for that period.
