## FIM Europe presents the 2014 Extreme Enduro Cup

The FIM Europe Extreme Series will be in its first year, and riders who participate on these events can secure FIME points.

More good news for European riders is that they will be able to run with their normal national licence (and starting permission issue from their Federation) and that should ensure no extra costs for them.

The series will start this year and many predict that it will grow and grow, and each organizer will show that he can provide the quality of event required.

Further details of the FIME rounds will be available very shortly.

The 2014 Extreme Enduro Cup events will be the following:

1. 02.03.2014 Back Cown Quarry QUARRY, Witwort, Lancashire (Great Britain, ACU) "Eddy Extreme"
2. 20-22.06.2014 Pietra Neamt (Romania, FRM) "HEPN Hard Enduro Pietra Neamt"
3. 25-26.07.2014 Storstenhöjden (Sweden, SVEMO) „Battle of Wiking“
4. 25.10.2014 Drebach/Griessbach (Germany, DMSB) „GetzenRodeo“
