## Team Speedway U21 EC final in Herxheim (Germany)

The Final in Team Speedway U21 European Championship took place in Herxheim, Germany on a warm and sunny afternoon. After 20 very exciting heats with good track conditions and on a very high sporting level the numerous spectators have seen the victory of a very strong team from Poland.

Strong and hard but fair fight on the following places brought the result to see the team from Denmark on the second place on the day of DMU`s 100 years anniversary. Third place went to the team from Czech Republic and the young team Germany could only finish on the fourth place.

Due to the perfect organization in Herxheim, the three winning teams received their FIM Europe medals exactly 2,5 hours after the start of the first heat.
