Women and Youth Trial in Krsezowice (Poland)

British Gas Gas rider Dan Peace kept up his 100% record in the 2014 European Youth Trial Championship with a win in Krzeszowice today. Dan's 10 mark loss put him 3 clear of a tie between Italian Luca Petrella on his Ossa and Beta mounted British rider Toby Martyn with the Italian rider taking second place with more clean rides.

Theresa Bauml was victorious in a closely fought women class losing 23 marks which was 3 less than her German compatriot Ina Wilde who was in turn 4 ahead of Italian Sara Trentini. It was a great day for the German women, taking 5 of the first 6 positions. In the international competition Pia Emonts won the women's class from Nadine Faude and Millie Ray with Scandinavian riders dominating the International Youth event. The trial was held near the town of Krzeszowice in beautiful weather and will on Sunday welcome officials of the FIM Europe who are attending the congress in nearby Krakow
