FIM Europe meets Dorna For the future of Road Racing

On Friday 15th August, in occasion of the MotoGP in Brno, Dorna's offices have hosted an important meeting between the FIM Europe, represented by its President Dr. Wolfgang Srb and the Secretary General Mr Alessandro Sambuco and the CEO of Dorna, Mr Carmelo Ezpeleta.

As general subject on the table there was the future of Road Racing and, specifically, the role of the European Championship and the exam of a possible collaboration with Dorna, not only for the class Superstock 600, currently running with SBK, but also for the same European Championship.

The convergence of the necessity to work for the sporting value of the European Championship, beyond the economic and organisational aspects, has seen the concrete willingness of Dorna, to find the best possible solution in close cooperation with the FIM Europe.

"I am very happy about the meeting with Mr. Ezpeleta", has declared the FIM Europe President, "We have discussed relevant issues in the context of a successful European Road Racing Championship in the future as well as close cooperation FIM Europe with Dorna, which would be for the benefit of all parties: riders, teams, manufacturers, sponsors, organisers and Federations. I expect more details in the weeks to come".
