Cooperation between FIM Asia and FIM Europe

On the occasion of the recent meeting of the FIM Board of Directors in Geneva an agreement concerning the cooperation between FIM Asia and FIM Europe was initiated. FIM Asia, represented by President Mr. Wan Zaharuddin Wan Ahmad and assisted by QMMF President and FIM Board Member Mr. Nasser Khalifa Al Atya, and FIM Europe, represented by President Dr. Wolfgang Srb, agreed on a long term partnership that will benefit both CONUs.

FIM Europe consists of 47 National Motorcycle Federations, while FIM Asia is comprised of 25 National Motorcycle Federations. Both Continental Unions organize a large number of events and Championships in their respective areas and will work together in promoting and developing the growth of all disciplines related to motorcycle sports as well as international non-sporting events.

"I am confident that the cooperation of our CONUs will serve the interests of the National Motorcycling Federations on both continents", stated FIM Europe President Dr. Wolfgang Srb.
