

Press Release

The European Championship EMX300 will be back in 2017

MONACO (Principality of Monaco) - Following the release of the provisional calendar for the 2017 FIM Motocross World Championship, which did not include the European Championship EMX300 as a support class, it was brought to Youthstream's attention that a large number of manufacturers, teams, riders, partners and fans would like to see the EMX300 championship continue.

Due to its increase in popularity over the last few years, Youthstream have agreed to add the European Championship EMX300 class to the 2017 MXGP calendar.

FIM Europe President, Dr Wolfgang Srb said: *"I am very happy about this solution. The EMX300 class has developed very well and it is good for all of the parties involved that this European class remains within the FIM Motocross World Championship"*.
