

Press Release

European Enduro Championship Only a few weeks to go before the start

It is only a few weeks to go before the start of the new season of the European Enduro Championship: from Italy to Croatia and from Finland to Germany the way leads all over the European Continent

The start will be in in April in Rieti/Italy - just 100 km North-East from the capital Rome.

Then the European Championship will break new ground and will go to Croatia in May: in Buzet, which is located 50 km West from Rijeka and 50 km South from Trieste (Italy).

In August the European Championship will take place in the famous Jämsä. This Finnish city, about 230 km North from the capital Helsinki, is well known for its many international events of the past.

The final round will visit Germany: Rüdersdorf, which is right in touch in the East of capital Berlin. Starting with the prologue in the darkness of the evening in the end of October, the last day will happen at the first of November, to crown champions and teams.

About FIM Europe (www.fim-europe.com) - The FIM Europe (in the past UEM, Union Européenne de Motocyclisme) includes 47 National Federations (FMNs) and 6 Regional Motorcycling Associations and is a European organization acting within its attributions in all matters in relation with motorcycling activities and, as such, in domains ranging from sport, tourism, leisure, environment, mobility, road safety, legislative affairs, protection and defence of the rights and interests of motorcycle users. As far as motorcycle sport is concerned, the FIM Europe is the supreme and sole European authority empowered by the FIM to control European motorcycling sport activities organized under its jurisdiction throughout Europe. The aims of FIM Europe are to develop and promote all forms of motorcycling in Europe as well as the co-operation and friendship between its members, and notably: to examine all questions related to the development of motorcycling in Europe; to organize European Championships and to establish all competitions that appear beneficial subject to the prior approval of the FIM; to co-operate with the FIM in all matters relating to the organization of international events and motorcycling in general; to organize camps and seminars for riders, officials, coaches and administrators of various European FMNs; to support the creation and development of motorcycling activities in all European countries; to promote the co-operation among all European FMNs; to promote motorcycling among young people, both as sport and motorcycling in general; to encourage the use of motorcycles in European countries and to develop motorcycle tourism; to represent the interests of motorcyclists before European authorities; to promote in the media the sport of motorcycling and the use of motorcycles in all of Europe.
