European Honda 150 MX Championship The Experts' Experience for the Youths: a video

Last month's FIM Europe training camp for the Honda 150 European Championship in Albaida (Spain) provided a chance for the riders to familiarise themselves with the four-stroke CRF150R and saw the final selection take place.

On hand to help guide and support them were several members of the Honda Racing family: British motocross champion Gordon Crockard, Pata Supersport rider Kyle Smith, Team HRC MXGP rider Gautier Paulin and multiple Honda world champion Jean-Michel Bayle. In addition,

FIM Europe President Dr Wolfgang Srb and other experts from the FIM Europe analysed fitness, riding style and mental attitude to assist in providing an all-encompassing youth development package.

The latest video from the Honda 150 European Championship focuses on the experience that these individuals had while mentoring the 11-14 year olds in Albaida. Their comments provide an insight into the importance of passion, reveal what they think of the Honda 150 European Championship as a springboard to the EMX250 championship and what it feels like to play a part in helping to build the future of motocross.

The video Honda's Motocross Youth: The Experts' Experience is online and can be watched at the following link: www.youtube.com/watch?v=yfsdC7yleBc

The first round of the Honda 150 European Championship will be on the 18th and 19th April at Pietramurata, Italy.

The training in Albaida

About FIM Europe (www.fim-europe.com) - The FIM Europe (in the past UEM, Union Européenne de Motocyclisme) includes 47 National Federations (FMNs) and 6 Regional Motorcycling Associations and is a European organization acting within its attributions in all matters in relation with motorcycling activities and, as such, in domains ranging from sport, tourism, leisure, environment, mobility, road safety, legislative affairs, protection and defence of the rights and interests of motorcycle users. As far as motorcycle sport is concerned, the FIM Europe is the supreme and sole European authority empowered by the FIM to control European motorcycling sport activities organized under its jurisdiction throughout Europe. The aims of FIM Europe are to develop and promote all forms of motorcycling in Europe as well as the co-operation and friendship between its members, and notably: to examine all questions related to the development of motorcycling in Europe; to organize European Championships and to establish all competitions that appear beneficial subject to the prior approval of the FIM; to co-operate with the FIM in all matters relating to the organization of international events and motorcycling in general; to organize camps and seminars for riders, officials, coaches and administrators of various European FMNs; to support the creation and development of motorcycling activities in all European countries; to promote the co-operation among all European FMNs; to promote motorcycling among young people, both as sport and motorcycling in general; to encourage the use of motorcycles in European countries and to develop motorcycle tourism; to represent the interests of motorcyclists before European authorities; to promote in the media the sport of motorcycling and the use of motorcycles in all of Europe.
