

Press Release

European 600 Stock Championship in Imola (Italy)

Round 4 of the FIM Europe Superstock 600cc Championship was decided in favour of after a race long dual saw Toprak Razgatlioglu (Kawasaki Puccetti Racing) defeat at the last moment wildcard entry Roberto Mercandelli (Roberto Mercandelli Team) to victory by 4 seconds at the conclusion of an epic 12 lap encounter.

The Turk who extends his lead in the series after his fourth victory of the year, set a new lap record as he gave chase to Federico Caricasulo (Pata Honda Junior Team), the Italian crashing out on the final lap after swapping places several times with Toprak.

Mercandelli benefited from the mistake to grab 2nd ahead of fellow Italian Andrea Tucci (San Carlo Team Italia) who took the final place on the podium at the end of an action packed race.

Nicola Morrentino jr, Stefano Casalotti and Luca Vitali completed the top six.

The unfortunate Michael Ruben Rinaldi had been running strongly until he collided with the back of Razgatlioglu's Kawasaki. With nowhere to go, the Italian fell from 2nd position. He remounted but retired a lap later.

Niki Tuuli was lucky to escape injury after sliding out of 3rd on lap two. The Finnish rider will have to wait until the next round to show his true potential.

In the championship, Razgatlioglu now holds a commanding 55 point advantage over his nearest rival meaning he could mathematically wrap up the title at the next round in Portimao on 6th June.

About FIM Europe (www.fim-europe.com) - The FIM Europe (in the past UEM, Union Européenne de Motocyclisme) includes 47 National Federations (FMNs) and 6 Regional Motorcycling Associations and is a European organization acting within its attributions in all matters in relation with motorcycling activities and, as such, in domains ranging from sport, tourism, leisure, environment, mobility, road safety, legislative affairs, protection and defence of the rights and interests of motorcycle users. As far as motorcycle sport is concerned, the FIM Europe is the supreme and sole European authority empowered by the FIM to control European motorcycling sport activities organized under its jurisdiction throughout Europe. The aims of FIM Europe are to develop and promote all forms of motorcycling in Europe as well as the co-operation and friendship between its members, and notably: to examine all questions related to the development of motorcycling in Europe; to organize European Championships and to establish all competitions that appear beneficial subject to the prior approval of the FIM; to co-operate with the FIM in all matters relating to the organization of international events and motorcycling in general; to organize camps and seminars for riders, officials, coaches and administrators of various European FMNs; to support the creation and development of motorcycling activities in all European countries; to promote the co-operation among all European FMNs; to promote motorcycling among young people, both as sport and motorcycling in general; to encourage the use of motorcycles in European countries and to develop motorcycle tourism; to represent the interests of motorcyclists before European authorities; to promote in the media the sport of motorcycling and the use of motorcycles in all of Europe.
