## EMX65, EMX 85 NE and EMX Women at Strykow (Poland)

The beautiful track of Strykow in Poland hosted the third round of the 2018 EMX Women European Championship and the last round of EMX 65 and EMX 85 North East zone. Around one thousand spectators gathered around the track to welcome and enjoy their favorite riders and feel the spirit of the race. The weather, despite all forecast and rain, turned out to be perfect during the whole weekend. Even though the organizer did a massive job to maintain the good quality of the track.

On Saturday Danish rider Sara Andersen did an outstanding job at the Qualifying Race in EMX Women and was in the leadership the whole time. Just right behind her was Shana Van Der Vlist from The Netherlands with around 12 seconds from Sara. The third place was taken by Mathea Selebo from Norway.

In EMX 65 the leader after qualifying was Janis Martins Reislulis from Latvia. Second place for Semen Rybakov from Russia and third place for Marius Adomaitis from Lithuania.

In EMX 85 the first three places were taken by Estonian riders - Martin Michelis, Romeo Karu and Mikk Martin Lohmus.

# Press Release

Sunday began with some rain, but eventually everything turned out well and all races took place.

In EMX 85 the winner is a rider from Estonia - Martin Michelis, just behind him two Russians riders Alexey Orlov as second and Daniil Kesov as third.

The winner of EMX 65 class is Semen Rybakov from Russia. Second place was taken by Janis Martins Reisulis from Latvia and just after Janis finished Romeo Pikand from Estonia.

In EMX Women, after a crash and heroic chase Sara Andersen managed to recover her position and finished first. Afyet Shana Van Der Vlist's mistake, Mathea Selebo from Norway finished in second position ahead of Lynn Valk from The Netherlands.

**About FIM Europe ([www.fim-europe.com](http://www.fim-europe.com))** - The FIM Europe (in the past UEM, Union Européenne de Motocyclisme) includes 47 National Federations (FMNs) and 6 Regional Motorcycling Associations and is a European organization acting within its attributions in all matters in relation with motorcycling activities and, as such, in domains ranging from sport, tourism, leisure, environment, mobility, road safety, legislative affairs, protection and defence of the rights and interests of motorcycle users. As far as motorcycle sport is concerned, the FIM Europe is the supreme and sole European authority empowered by the FIM to control European motorcycling sport activities organized under its jurisdiction throughout Europe. The aims of FIM Europe are to develop and promote all forms of motorcycling in Europe as well as the co-operation and friendship between its members, and notably: to examine all questions related to the development of motorcycling in Europe; to organize European Championships and to establish all competitions that appear beneficial subject to the prior approval of the FIM; to co-operate with the FIM in all matters relating to the organization of international events and motorcycling in general; to organize camps and seminars for riders, officials, coaches and administrators of various European FMNs; to support the creation and development of motorcycling activities in all European countries; to promote the co-operation among all European FMNs; to promote motorcycling among young people, both as sport and motorcycling in general; to encourage the use of motorcycles in European countries and to develop motorcycle tourism; to represent the interests of motorcyclists before European authorities; to promote in the media the sport of motorcycling and the use of motorcycles in all of Europe.
