

Press Release

European Moto2, Superstock 600 and Talent Cup at Aragon (Spain) - Day2

Edgard Pons (AGR Team, photo1) won both races in the Moto2™ European Championship and José Antonio Rueda (Talent Team Estrella Galicia 0,0) and David Muñoz (Jerez Andalucía Motor Talent) shared the victories in the European Talent Cup (photo2). Edgar Pons collected his first win of the season in the Moto2™ ECh after going solo in the opening laps. The AGR Team rider crossed the line more than two seconds ahead of Jesko Raffin (Swiss Innovative Investors Junior) while Héctor Garzó (Team Wimu CNS) finished third more than 11 seconds behind the winner to secure his first podium of the season. Alessandro Zetti (Fau55 Racing) was the best classified in Superstock 600. Edgar Pons received the Repsol free fuel cheque.

The second Moto2™ race was interrupted by a red flag after Dimas Ekky (Astra Honda Racing Team) crashed in the opening laps. The race was then restarted, having been shortened to 10 laps, and was identical to the first race: Edgar Pons won alone and was accompanied on the podium by Jesko Raffin and Héctor Garzó. Roman Fischer (Pinamoto RS) won the Superstock 600 while Edgar Pons received the Repsol free fuel cheque.

Jesko Raffin continues as clear leader of the Moto2™ ECh with 52 points over Edgar Pons in third slot; second classified is Augusto Fernández, who has moved to the World Championship and no longer competes in the FIM CEV Repsol.

In the first ETC race, José Antonio Rueda took his first victory after winning a group race with a thrilling finish. In fact, Víctor Rodríguez (Laglisce Academy) crossed the line first but had a three-tenths of a second penalty imposed for a dangerous action on José Antonio Rueda, and ended up in fourth. Xavier Artigas (Team Impala) returned to the podium with David Salvador (Cuna de Campeones) third. Despite having led on the final lap Carlos Torrecillas (Punto Moto Team) was left out of the honours when an error at the start of the final straight caused him to fall back to fifth. The Repsol free fuel cheque went to race winner José Antonio Rueda.

David Muñoz won the second race of the ETC and gained his first victory in a race which was stopped with only one lap to go because of a fall. Víctor Rodríguez and his team mate Daniel Muñoz (Jerez Andalusia Motor Talent) accompanied him on the podium after starring in a thrilling race that led to Carlos Torrecillas leading before crashing out when he had al-

ready pulled clear. David Muñoz took the Repsol free fuel cheque. Matteo Patacca (SIC 58 Squadra Corse), who did not race in MotorLand due to injury, continues to lead the ETC but is now tied on 82 points with Xavier Artigas while Víctor Rodríguez is third with 78 points.

The next round will be held in Jerez on 30th September.

About FIM Europe (www.fim-europe.com) - The FIM Europe (in the past UEM, Union Européenne de Motocyclisme) includes 47 National Federations (FMNs) and 6 Regional Motorcycling Associations and is a European organization acting within its attributions in all matters in relation with motorcycling activities and, as such, in domains ranging from sport, tourism, leisure, environment, mobility, road safety, legislative affairs, protection and defence of the rights and interests of motorcycle users. As far as motorcycle sport is concerned, the FIM Europe is the supreme and sole European authority empowered by the FIM to control European motorcycling sport activities organized under its jurisdiction throughout Europe. The aims of FIM Europe are to develop and promote all forms of motorcycling in Europe as well as the co-operation and friendship between its members, and notably: to examine all questions related to the development of motorcycling in Europe; to organize European Championships and to establish all competitions that appear beneficial subject to the prior approval of the FIM; to co-operate with the FIM in all matters relating to the organization of international events and motorcycling in general; to organize camps and seminars for riders, officials, coaches and administrators of various European FMNs; to support the creation and development of motorcycling activities in all European countries; to promote the co-operation among all European FMNs; to promote motorcycling among young people, both as sport and motorcycling in general; to encourage the use of motorcycles in European countries and to develop motorcycle tourism; to represent the interests of motorcyclists before European authorities; to promote in the media the sport of motorcycling and the use of motorcycles in all of Europe.
