

## European Motoball Championship at Kovrov (Russia) - Day 5

**RUSSIA Juniors 4-0 BELARUS Juniors**  
Russian juniors showed that their level of the game goes feet to feet with their adult team. They are real contenders to the Champions title and their play gives a lot of good emotions to their supporters.

**FRANCE 2-2 GERMANY**

Superb defence from both teams was dominating in the first half of the game, and even if both teams had some good chances, the ball didn't go to net. Germany wasted an excellent chance in the third quarter, when their player went one-on-one with French goalkeeper, but later scores 11 meters penalty. Les Bleus replied in the last quarter, and they were really close to another one, but the ball hit the post and the luck wasn't on their side - Germany scored a beautiful close goal and France wasted a good chance to hit back. But France bravely fought till the end, and they superbly equalized the result at the end of the match.

## BELARUS 2-1 THE NETHERLANDS

It was an important game for The Netherlands, because it was a good chance to get their first win, but Belarus weren't ready to give it away easily. They scored two in the first half and earned their third victory in this Championship and went to semi-finals, while The Netherlands' late answer was not enough to gain points.

## LITHUANIA 1-13 RUSSIA

Russia is already in the semi-finals, so this game with one of the outsiders made no problems for them. But a show for the spectators was there - they saw 13 beautiful goals and the fifth victory of their favourite team, which stands now in the first place in the general standings.

**About FIM Europe ([www.fim-europe.com](http://www.fim-europe.com))** - The FIM Europe (in the past UEM, Union Européenne de Motocyclisme) includes 47 National Federations (FMNs) and 6 Regional Motorcycling Associations and is a European organization acting within its attributions in all matters in relation with motorcycling activities and, as such, in domains ranging from sport, tourism, leisure, environment, mobility, road safety, legislative affairs, protection and defence of the rights and interests of motorcycle users. As far as motorcycle sport is concerned, the FIM Europe is the supreme and sole European authority empowered by the FIM to control European motorcycling sport activities organized under its jurisdiction throughout Europe. The aims of FIM Europe are to develop and promote all forms of motorcycling in Europe as well as the co-operation and friendship between its members, and notably: to examine all questions related to the development of motorcycling in Europe; to organize European Championships and to establish all competitions that appear beneficial subject to the prior approval of the FIM; to co-operate with the FIM in all matters relating to the organization of international events and motorcycling in general; to organize camps and seminars for riders, officials, coaches and administrators of various European FMNs; to support the creation and development of motorcycling activities in all European countries; to promote the co-operation among all European FMNs; to promote motorcycling among young people, both as sport and motorcycling in general; to encourage the use of motorcycles in European countries and to develop motorcycle tourism; to represent the interests of motorcyclists before European authorities; to promote in the media the sport of motorcycling and the use of motorcycles in all of Europe.
