Dear Racer

We are writing to you to ask for your help. As most of you know we have a limited area for pitting of your vehicle and we normally have to squeeze everybody in and make best of what we have. It is therefore essential that you give us your exact width and length dimensions so we can try to plan it as properly as possible, please make the effort to measure your combination so that you can give us the exact measurements, if possible we would like to receive a drawing from you. We will not guarantee a wider pit space than 5 meters and that will include your awning. Those of you who have a wider combination will not be able to use your awning at Kunmadaras Raceway and we advise you to make contact with us a minimum of 3 weeks prior to the event to see if we can sort something out. For those of you that don't return this form completed in time a space of 2.5 metres wide in total will be allocated.

Thank you for your help.
