FIM EUROPE ANNUAIRE 2019 - 5

Le mot de bienvenue du Président (intérimaire) de la FIM Europe

Chers présidents des 46 fédérations européennes et des 6 associations régionales, mesdames et messieurs, chers jeunes coureurs,

Le Congrès de Nantes (France) a marqué le début d'un nouveau mandat quadriennal. Une bonne organisation a assuré le succès de ce Congrès, qui incluait dans son programme la Conférence sur la Sécurité Routière. Un grand nombre de sujets ont été présentés et discutés lors de cette Conférence, tous en rapport avec l'utilisation des motos électriques, aussi bien sur la route que dans différentes disciplines sportives. Cette présentation nous a montré les avancées de la Fédération Française (FFM) dans le développement des motos électriques.

Le lendemain des élections, le nouveau Comité Directeur a tenu sa première réunion, consacrée en grande partie à la répartition des missions.

La saison 2018 a été positive, avec toutes sortes d'activités sportives et extra-sportives, certaines consacrées à l'entraînement et à la formation.

Ce fut également le cas dans nos associations régionales : l'AAMU (Alpe Adria), l'AMM (Méditerranée), la BMA (Baltique), la BMU (Balkans), la MACEC (Europe Centrale) et le NMC (pays nordiques). Ces associations organisent plusieurs compétitions dans les différentes disciplines. L'organisation de bonnes compétitions avec moins de frais de déplacement montre les avantages des activités régionales. Dans de nombreux cas, le système pyramidal du motocyclisme commence à ce niveau. Les étapes suivantes sont les Championnats Continentaux, jusqu'aux Championnats du monde. Nos promoteurs jouent un rôle important dans ce processus.

La saison sportive se prépare à l'occasion du Congrès annuel et lors des réunions de l'ensemble des commissions sportives en octobre et novembre (Courses sur Route, Dragster, Motocross et Motoneige, Supermoto, Enduro et Rallyes, Trial, Courses sur pistes, Motoball, Vintage). Il s'agit pour les commissions de la dernière possibilité pour affiner les règlements et proposer le calendrier au Comité Directeur. Au calendrier de l'an passé ont été inscrits un grand nombre de Championnats et Coupes organisés par les fédérations et leurs clubs. Nous avons comptabilisé en tout 43 Championnats et 21 Coupes, pour un total de 457 courses.

L'Académie MXGP a connu sa quatrième édition, avec l'entraînement de jeunes talents lors des week-ends MXGP. De plus, l'Académie a organisé le cours "Train the trainers" (formation des entraîneurs) en Europe du nord et du sud. Ce groupe prend de l'ampleur : les entraîneurs formés s'occupent des coureurs au sein de leur propre fédération, en utilisant le même format.

Welcome from the FIM Europe (acting) President

Dear Presidents of the 46 European Federations and of the 6 Regional Associations, Ladies and Gentlemen and our young riders,
The Congress in Nantes (France) represented the start of a new mandate for a period of four years. We can look back on a successful and well organised Congress, including the Road Safety Conference. In occasion of this Conference a lot of items were presented and discussed. The items were related to the use of electric motorbikes, for road use as well as applications in several sport disciplines. This presentation showed us the progress of the

French Federation (FFM) in the development of E-motorcycles.

One day after the elections, the renewed Management Council had its first meeting, whose most important point was the division of tasks.

The 2018 season was successful, with all kind of activities in sport, beyond sport, training and education.

This was also the case in our Regional Associations: AAMU (Alpe Adria), AMM, (Mediterranean), BMA (Baltic), BMU (Balkan), MACEC (Central Europe) and the NMC (Nordic). These Associations organise several competitions in the different disciplines. The organization of good competitions with less travel costs prove the advantage of the Regional activities. In many cases, the pyramid in motor-sport starts at this level. The next steps are the Continental Championships up to the World Championships. Our promoters are playing a significant role in this process.

The sporting season is prepared in occasion of the annual Congress and in the meetings of all Sporting Commissions in October and November (Road Racing, Drag Racing, Motocross and Snowcross, Supermoto, Enduro and Rally, Trial, Track Racing, Motoball, Vintage). For all Commissions is this the last chance to fine-tune the regulations and to propose the calendar to the Management Council. On the calendar of last year many Championships and Cups have been organized by the Federations and their clubs. All together, we have seen 43 Championships and 21 Cups, with a total of 457 races.

The MXGP Academy has already four years of experience, with the training of young talented riders during the MXGP weekends. Besides this, the Academy organised the course "Train the trainers" in the North and South of Europe. This

Les activités extra-sportives sont le second pilier de la FIM Europe, les commissions se réunissant chaque année en janvier et lors du congrès.

La Commission des Affaires Publiques travaille en étroite collaboration avec la FEMA et la FIM. La représentation à Bruxelles est une nécessité absolue, afin de se rapprocher des preneurs de décisions et du Parlement Européen. Cette influence est importante pour la législation et, par conséquent, pour tous les motocyclistes.

La Commission Tourisme continue à enrichir continuellement la liste des hôtels réservant un accueil privilégié aux motocyclistes et celle des Musées de la Moto européens, qui sont disponibles sur le site Internet de la FIM Europe. Cette année aura également lieu une formation pour les Assistants Tourisme.

L'AMOTOE (Grèce) a organisé l'an passé l'excursion du Club FIM Europe. Les participants ont eu le plaisir de visiter la magnifique région de l'Epire, au départ d'Igoumenitsa et le long des côtes et dans les montagnes de l'Epire, en compagnie d'excellents guides touristiques. En 2019, l'excursion du Club FIM Europe aura lieu dans l'ouest de la Croatie.

La Commission Marketing, Promotion et Industrie s'efforce d'amplifier la visibilité et la promotion de la FIM Europe et peut également conseiller les Commissions sportives des disciplines qui comptent un faible nombre de participants.

Les questions liées à l'environnement sont toujours une priorité. Il est de notre responsabilité d'accorder une attention constante à ce sujet particulièrement important. La Commission travaille en étroite collaboration avec la FIM.

La FIM Europe réalisera un travail de proximité avec les fédérations européennes, nos promoteurs et la FIM.

Nous continuons à communiquer de façon dynamique au travers des communiqués de presse, des newsletters et de par notre présence sur les médias sociaux.

A l'aube de cette saison 2019, le Comité Directeur remercie notre ancien président Wolfgang Srb, tous nos membres de commissions, les bénévoles et les organisateurs de nos fédérations affiliées pour leur excellente collaboration.

Je tiens également à remercier notre personnel à Rome pour son travail professionnel et efficace.

Martin de Graaff
Président intérimaire de la FIM Europe

group is increasing; the educated trainers are busy with the riders in their home Federation, using the same format.

The beyond sport activities are the second pillar of FIM Europe; the Commissions meet every year in January and during the Congress.

The Public Affairs Commission is working in close cooperation with FEMA and FIM. The representation in Brussels represents a must, in order to be close to the decision makers and to the European Parliament. This influence is important for the legislation and, therefore, for all motorcyclists.

The Touring Commission is permanently working on the list of the Motorcycle Friendly Hotels and European Moto Museums, which are available on the FIM Europe website. Also for this year, it is planned a training for Tour Assistants. AMOTOE (Greece) was last year the hosting federation for the FIM Europe Club Tour. In the wonderful Region of Epirus, the participants could enjoy this tour, starting in Igoumenitsa with tours along the coast and the Epirus mountains, guided by excellent tour guides. In 2019, the FIM Europe Club Tour will be organised in the West side of Croatia.

The Marketing, Promotion and Industry Commission tries to improve the visibility and promotion of FIM Europe and it can also advise the Sporting Commissions in some disciplines having a small number of participants.

Environment issues are always high on the agenda, the ongoing responsibility is to pay attention to this important issue. The Commission works in close cooperation with the FIM.

FIM Europe will work in a close relation with the European Federations, our Promoters and the FIM.

We will continue the active communication with press releases, newsletters and the presence in the social media.

Starting the 2019 season, the Management Council thanks our former President Wolfgang Srb, all our Commission Members, the volunteers and the organizers of our affiliated Federations for the excellent cooperation granted.

I would like to thank also the staff in Rome for the professional and efficient work.

FIM EUROPE

Authority

The FIM Europe is a European organization acting in all matters in relation with motorcycling activities and, as such, in domains ranging from sport, tourism, leisure, environment, mobility, road safety, legislative affairs, protection and defence of the rights and interests of motorcycle users. The FIM Europe is entitled to exercise any other power that has been entrusted to it by a decision of the Board of Directors or the General Assembly of the FIM which will specify in detail the terms of references and the time limit thereof. As far as motorcycle sport is concerned, the FIM Europe is the supreme and sole European authority empowered to control European motorcycling sport activities organized under its jurisdiction throughout Europe. The official titles of European Championships, FIM Europe Cups and any other European competitions and events in all disciplines of the motorcycle sport are the exclusive property of the FIM Europe. Consequently, the FIM Europe can impose technical and economic conditions which it judges necessary for the running of events relative to these titles. The FIM Europe is the sole owner of all television, radio, video cassettes, marketing, advertising, merchandising, promotional, licensing and any other rights for the European Championships and FIM Europe Cups.

Aims

The aims of the FIM Europe are to develop and promote all forms of motorcycling in Europe as well as the co-operation and friendship between its members, and notably:

- to examine all questions related to the development of motorcycling in Europe;
- to organize European Championships and to establish all competitions that appear beneficial;
- to co-operate with the FIM in all matters relating to the organization of international events and motorcycling in general;
- to organize camps and seminars for riders, officials, coaches and administrators of various FIM Europe Members;
- to support the creation and development of motorcycling activities in all European countries;
- to promote the co-operation among all European FMNs;
- to promote motorcycling among young people, both as sport and motorcycling in general;

- promouvoir le motocyclisme chez les jeunes, aussi bien dans le domaine de la compétition que du loisir;
- encourager l'utilisation de motocycles dans les pays européens et développer le tourisme motocycliste;
- représenter les intérêts des motocyclistes devant les autorités européennes;
- faire promouvoir par les médias le sport motocycliste et l'utilisation de motocycles dans toute l'Europe.

Un peu d'histoire

L'idée de créer un organisme européen de motocyclisme naquit de l'exigence de traiter des sujets étroitement liés à des situations particulières et locales. Par exemple, la nécessité d'étudier une "licence européenne", après que l'Union Européenne avait libéralisé l'activité sportive dans les 15 pays adhérents, ou de trouver une solution à la très grande difficulté des pays de l'Europe de l'Est pour développer un minimum d'activité sportive internationale dans l'état de crise consécutif à la chute du mur de Berlin. Problèmes nombreux que la FIM, organisme mondial, aurait pu difficilement gérer et matricer dans si peu de temps. Le 5 Septembre 1995 les représentants de 7 Fédérations Motocyclistes Nationales se réunirent à Munich avec l'intention de créer une Union Européenne des Fédérations Nationales, semblable à l'Union Latino-Américaine déjà existante et reconnue par la FIM. Les représentants des Fédérations Nationales présentes à Munich, celles de la France, de l'Italie, de la Suisse, de la Grèce, de la Slovaquie, du Portugal et de l'Allemagne (ADAC) signèrent un protocole d'accord, dans lequel il était précisé que le nouvel organisme n'était pas né en opposition lesquelles à la FIM, mais à l'intérieur de la FIM pour favoriser la promotion, le développement et la diffusion du motocyclisme dans le Vieux Continent et une collaboration plus étroite entre les Fédérations Nationales, spécialement avec celles des pays où le motocyclisme n'était pas encore très développé. Lors de la réunion suivante à Bratislava le 27 Novembre 1995, d'autres Fédérations Nationales (Biélorussie, Bulgarie, Estonie, Hongrie, Lituanie et République Tchèque) demandèrent de faire partie du nouvel organisme. L'élection de Francesco Zerbi à la présidence de la FIM donna un nouvel élan à ceux qui avaient cru en cette initiative et le 17 Février 1996, à l'initiative de la FFM, une Assemblée constitutive fut convoquée à Paris, au cours de laquelle 21 Fédérations Motocyclistes Nationales décidèrent d'adhérer à l'UEM. L'Allemagne n'était plus représentée par l'ADAC, mais par la Fédération Nationale (OMK). L'Assemblée approuva les Statuts et élut M. Jean-Pierre Mougin comme Président, huit mem-

- to encourage the use of motorcycles in European countries and to develop motorcycle tourism;
- to represent the interests of motorcyclists before European authorities;
- to promote in the media the sport of motorcycling and the use of motorcycles in all of Europe.

A little bit of History

The idea of creating a European motorcycle organization started from the need to face certain themes strictly connected to particular local situations. For example, the necessity to study a "European licence", after the European Union had liberalized the sport activity in its 15 affiliated Countries, or to find a solution to the great difficulties of the Eastern Europe Countries in developing an international sporting activity in the situation of great crisis after the fall of the Berlin wall. All problems that the FIM, world-wide organization, would have managed and controlled with difficulty in such a short time. On the 5th September 1995 the representatives of 7 National Motorcycle Federations met in Munich in order to create a European Union of the national Federations, like the Latin-American Union that has existed for many years and is recognized by the FIM. The Federations which were present in Munich are those of France, Italy, Switzerland, Greece, Slovakia, Portugal and Germany (ADAC). A document of agreement was signed in which it is specified that the new organization was not born in opposition to the FIM but inside it, in order to improve promotion, development and diffusion of motorcycling in the Old World and achieve a strict cooperation among the National Federations, especially with those countries where motorcycling was not yet developed. During a further meeting in Bratislava on the 27th November 1995 other Federations (Belarus, Bulgaria, Estonia, Hungary, Lithuania and Czech Republic) asked to be a part in the new organization. The election of Mr Francesco Zerbi as the FIM President gave a new enthusiasm to those who had believed in this initiative and on the 17th February 1996, on the FFM initiative, a Constituent Assembly was convened in Paris during which 21 National Motorcycle Federations decided to join the UEM. Germany was no more represented by the only ADAC, but by the National Federation (OMK). The Assembly approved the Statutes and elected Mr Jean-Pierre Mougin as President, the eight members of the Management Council and two Auditors. The legal Headquarters of the UEM (Union Européenne de Motocyclisme European Motorcycle Union) was located in Mies at the FIM Headquarters and the Executive Secretariat in Rome, considering the appointment of Mr Vincenzo Mazzi as Secretary

bres du Conseil de Direction et deux Commissaires aux Comptes Internes. Le siège légal de l'UEM fut fixé à Mies, auprès de la FIM, et le Secrétariat Exécutif à Rome, compte tenu de la nomination de M. Vincenzo Mazzi comme Secrétaire Général. M. Wilhelm Lyding, président sportif de l'ADAC et promoteur de la constitution de l'UEM, fut nommé Président d'Honneur. Deux Commissions furent aussi constituées, une Commission sportive présidé par M. Dieter Junge et une autre chargée de la Promotion, du Tourisme et Voie Publique présidée par M. Jorge Viegas, toutes deux composées par de Groupes de Travail spécifiques dont les membres n'étaient pas élus, mais nommés par le Conseil de Direction, afin d'avoir une certaine garantie d'efficacité et de flexibilité. Cette organisation est validée provisoirement pour deux années, le temps nécessaire afin que l'UEM pût grandir et faire ses premiers pas. Pendant ce temps, un Groupe de Travail présidé par M. Jacob Douglas fut aussi constitué afin de revoir le texte des Statutes et proposer un Règlement Intérieur. Le premier Congrès de l'UEM s'est tenu les 5 et 6 juillet 1996 à Cologne, Allemagne, regroupant les délégués de 29 des 33 Fédérations affiliées. L'UEM fut reconnue de la FIM lors du Congrès du 1997 à Athènes. En 1997 la FIM amende ses Statutes en adoptant les dispositions relatives aux CONUs lesquelles sont entrés en vigueur le 19 octobre 1998. Par la suite l'UEM est reconnue comme Union Continentale (CONU) lors du Congrès FIM de 1998 à Cape Town. A partir de 1998, l'UEM a reçu de la FIM la responsabilité d'organiser des Championnats et Coupes Européennes. En 2010, la FIM adopte des modifications statutaires et les CONUs son désormais appellées FIM Africa, FIM Asia, FIM Europe, FIM Latin America, FIM North America et FIM Oceania. L'Assémblée Générale extraordinaire de l'UEM du 30 Novembre 2012 a pris la décision de modifier ses Statutes en conséquence.

General. Mr Wilhelm Lyding, ADAC Sport President and promoter of the UEM constitution, was appointed Honorary President. Two Commissions were also formed, a Sporting Commission presided by Mr Dieter Junge and a Commission for Promotion, Tourism, Road Safety and Mobility presided by Mr Jorge Viegas, both composed of specific Working Groups whose members were not elected, but appointed by the Management Council in order to grant a certain efficiency and flexibility. This organization had a temporary validity of two years, the necessary time for the UEM to grow up and move the first steps. In the meantime, a Working Group presided by Mr Jacob Douglas was also formed in order to revise the text of the Statutes and to propose the By-Laws. The first UEM Congress was held on July 5th and 6th 1996 in Koeln, Germany, and it gathered the delegates of 29 among the 33 affiliated Federations. The UEM was officially recognized as a Continental Union (CONU) at the 1997 FIM Congress in Athens. In 1997 FIM modifies its Statutes adopting the regulations about CONUs, which will become effective on October 19th 1998. Consequently, UEM is recognized as Continental Union (CONU) from the Cape Town FIM Congress on. From 1998 on, UEM is put in charge by FIM to organise European Championships and Cups. In 2010, FIM amended its statutes by deciding the six existing CONUs would be named henceforth as follows: FIM Africa, FIM Asia, FIM Europe, FIM Latin America, FIM North America and FIM Oceania. On 30 November 2012, an UEM Extraordinary General Assembly took the decision to modify its statutes accordingly.

THE GENERAL SECRETARIAT

20 years at the service of the European Federations

The FIM Europe General Secretariat begins its operation at its current location in 1999 as UEM Executive Secretariat, assuming its current name of "General Secretariat" with the new Statutes approved on the 30th November 2012, at the Extraordinary General Assembly in Monaco, following the modification of the FIM Statutes approved in Macau in 2010. The General Secretariat is the permanent administrative body of FIM Europe and it is based in Rome (Italy), at via Giulio Romano, 18.

In 2019, the General Secretariat celebrates its first twenty years at the service of the National Motorcycling Federations Members of FIM Europe.

Thanks to an accentuated attitude to innovation, the Secretariat has developed the ability to answer to the multiple requests coming from the continual sports and non-sporting activities, in constant growth.

Therefore the General Secretariat, through its Departments (Financial & Accounting – Sports - Marketing & Communication- Travel & Logistics) is able to offer a wide range of services to Federations, Bodies of FIM Europe and Officials. The creativity is reflected in going out from the traditional schemes and in a constant research for new procedures, more and more effective and efficient. It is always used a realistic view of the concept of "administration" and "services", in order to transform creative ideas in innovation.

The passion for the work and for the creative innovation represents the life style of the Secretariat, a mental attitude inspiring the daily job. The spirit of service is constantly accompanied by emotional intelligence, with which the Secretariat tries to shape the services on the peculiarities of its Members, trying to be in empathy with all of them, considering their complexity and their diversities, even if belonging to the same big family of Motorcycling.

20 ans au service des Fédérations Européennes

Le Secrétariat Général de la FIM Europe est entré en fonction à son adresse actuelle en 1999 sous le nom de Secrétariat Exécutif de l'UEM, et a pris le nom de "Secrétariat Général" suite à l'approbation des statuts prononcée lors de l'Assemblée générale extraordinaire du 30 novembre 2012 à Monaco, convoquée suite à la modification des statuts FIM approuvée à Macao en 2010. Le Secrétariat Général, basé à Rome (Italie), via Giulio Romano 18, est l'organe administratif permanent de la FIM Europe.

En 2019, le Secrétariat Général célèbre ses vingt premières années au service des Fédérations Motocyclistes Nationales membres de la FIM Europe. En se tournant toujours plus vers l'innovation, le Secrétariat a développé sa capacité à répondre aux multiples demandes générées par les activités sportives et non-sportives incessantes et en constante augmentation. Le Secrétariat Général, au travers de ses différents services (Finances & comptabilité – Sportif - Marketing & Communication - Voyages & logistique) est donc à même d'offrir une large gamme de services aux Fédérations, aux organes de la FIM Europe et aux Officials. Sa créativité s'exprime dans la volonté à sortir des schémas traditionnels et dans la recherche incessante de nouvelles procédures, toujours plus efficaces et productives. On est toujours utilisée une vision réaliste des concepts de « administration » et de « services » pour que les idées créatives se transforment en innovations.

La passion pour le travail et pour la création d'innovation représente le style de vie du Secrétariat, une attitude mentale inspirant le travail quotidien. L'esprit de service s'accompagne toujours à une compréhension émotionnelle, grâce à laquelle le Secrétariat s'efforce toujours d'adapter ses services aux particularités de ses Members et d'atteindre un niveau satisfaisant d'empathie envers chacun d'entre eux, en tenant compte de leur complexité et de leur diversité, même s'ils appartiennent tous à la même grande famille du Motocyclisme.

NOTE

LA COMMUNICATION

Dans notre société actuelle la communication revêt une importance fondamentale.

Au cours de ces dernières années, FIM Europe s'est particulièrement attachée à publier des informations sur son activité, même si les moyens étaient limités, de manière à rendre son action plus transparente et les bénéficiaires de ses services plus conscients du travail qu'elle accomplissait.

La publication du présent Annuaire répond aussi à cette exigence d'information et fournit à toute personne intéressée une description complète de l'activité sportive et non sportive de la FIM Europe, de sa structure, de son histoire, de ses projets.

Dans sa volonté d'informer la FIM Europe a commencé par renouveler complètement son site web au niveau esthétique et fonctionnel, puis a publié une revue en ligne, FIM Europe MAG, qui offre des articles intéressants sur la présentation de la saison sportive et de l'activité non sportive. Depuis septembre 2014, le MAG de la FIM Europe est devenu bimestriel et a vu son nombre de pages et de sujets augmenter.

La publication d'une série de Communiqués de Presse s'est également poursuivie pour une information rapide sur les principales décisions du Comité Directeur, les variations du calendrier, les résultats des courses du week-end sur les circuits européens.

L'année 2019 continuera sur cette lancée, avec peut-être aussi quelques améliorations et en élargissant la gamme des interventions et des informations et avec le web site complètement renouvelé et avec un plus grand nombre d'informations.

COMMUNICATION

Communication plays a key role in modern society.

The FIM Europe has given great attention in recent years to the dissemination of information relating to its activities, in spite of its limited resources, so as to increase the level of transparency of its activities and increase the awareness of its beneficiaries and of those who benefit from the work that it carries out.

The publication of this Yearbook satisfies specifically this need and aims to provide to anyone who may be interested information on the FIM Europe sports and non-sports activities, its organization, history and programs.

After having completely renewed the website, both from an aesthetic and functional viewpoint, the FIM Europe has continued to publish, albeit on a quarterly basis, its online magazine, FIM Europe MAG, addressing the usual issues of particular interest such as the presentation of the sports season and non-sporting activity. From September 2014, the FIM Europe MAG has a bimonthly basis and has increased in number of pages and topics.

A new edition of the series of Press releases was also held, providing a timely report of the major decisions taken by the Management Council, the changes made to the calendar, and the results of the races held over the weekends in the various European circuits.

In 2019, the aim is to continue along this path, perhaps making some improvements where possible and extending the range of news and information provided and with a website completely renewed and presenting an higher quantity of information.

SITE INTERNET FIM EUROPE

www.fim-europe.com

Lancé en 2011, le site Internet de la FIM Europe a été complètement rénové et transformé en un portail moderne s'adressant à toute personne intéressée par le motocyclisme continental, que ce soit au niveau sportif ou non-sportif. L'objectif principal est de fournir des informations détaillées et régulièrement mises à jour sur ce qui se passe en Europe, en insistant tout particulièrement sur les initiatives de la FIM Europe. Entièrement rénové dans sa conception, le nouveau site Internet de la FIM Europe est maintenant hébergé sur la plate-forme innovante et conviviale Wordpress, l'ensemble de son contenu ayant été conservé et même enrichi. Visuellement attrayant, il a été conçu pour générer une impression positive immédiate et pour inviter les visiteurs à surfer d'une page à l'autre. L'utilisation judicieuse de la couleur, du graphisme et des photos de haute qualité permet aux visiteurs de se concentrer sur le message de la FIM Europe. Chaque composant du nouveau site Internet fonctionne rapidement et correctement, l'objectif étant de proposer des pages agréables à lire et d'offrir une facilité de navigation et de compréhension. Le nouveau site Internet FIM Europe a été optimisé pour les visiteurs utilisant des appareils mobiles grâce à des graphismes réactifs, qui «détectent» la résolution d'écran de l'appareil qui télécharge le site et «répondent» en redimensionnant le contenu pour mieux s'adapter à ses dimensions, offrant ainsi aux utilisateurs une consultation de meilleure qualité et une facilité d'utilisation quelque soit l'endroit où ils se trouvent. Le nouveau site Internet est également plus adapté aux réseaux sociaux, de sorte que les informations, les photos et les communiqués sont plus faciles à partager sur les différents médias sociaux. Par ailleurs, les administrateurs du site ont considérablement amélioré les opérations de backend, ce qui garantit une mise à jour régulière, simple et rapide. En cas de problèmes techniques, la nouvelle plate-forme WordPress offre aux utilisateurs une assistance multilingue permanente. Le site est composé des rubriques suivantes:

A PROPOS DE LA FIM EUROPE

FIM EUROPE WEBSITE

www.fim-europe.com

Launched in 2011, the FIM Europe website has now been completely renewed and transformed into a modern portal dedicated to anyone interested in continental motorcycling, both at a sporting and a non-sporting level. The first aim is to provide detailed and up-to-date information on what is going on in Europe, with a special focus on the FIM Europe initiatives. Completely renewed in its design, the new FIM Europe website has landed on the innovative, easy-to-use WordPress platform maintaining all its contents and being even enriched. Visually appealing, it has been designed to generate a prompt positive impression and to invite visitors to surf from one page to another. The good use of colour, graphics and high-quality photos helps viewers to focus on FIM Europe message. Every component of the new website works quickly and correctly, because the aim was to create pages easy to read, to navigate and to understand. The new FIM Europe website has been optimized for mobile visitors thanks to responsive graphics, which "sense" the screen resolution of the device loading the website and "respond" by resizing the content to best fit those dimensions, thus encouraging greater consultation and usability for its users everywhere. The new website is also more "social media friendly", so the news, photos and releases are easier to share within the various social media. Besides, a substantial improvement has been achieved for the the backend activities by the website administrators, which thus guarantees a continuous updating, easy and fast than ever before. The new WordPress platform ensures a continuous multilingual assistance for users, should technical problems occur. The website is structured in the following sections:

AU-DELA DU SPORT

La nouvelle rubrique «Beyond Sport» donne accès aux sous-rubriques «Environnement», «Affaires Publiques» et «Club FIM Europe». En effet, la FIM Europe a également pour mission d'aider le monde motocycliste à donner une dimension sociale à ses activités. Quatre domaines principaux sont pris en considération: l'Environnement, les Affaires Publiques & la Sécurité Routière, la Formation et le Club FIM Europe. Les deux premières pages sont gérées par les Commissions correspondantes, avec des activités, des documents et autres contenus originaux témoignant du rôle que la FIM Europe peut jouer dans la prise de conscience grandissante des motocyclistes européens en ce qui concerne les questions liées à l'environnement et à la sécurité routière. La rubrique Formation est dédiée aux différentes possibilités proposées par la FIM Europe pour améliorer ses connaissances, à destination des personnes impliquées dans les manifestations sportives (par exemple le cours pour les médecins officiant sur les manifestations) et dans différents segments du motocyclisme (tout jeunes coureurs ou motocyclistes séniors). La rubrique consacrée au Club FIM Europe donne des informations sur cette nouvelle initiative de la FIM Europe, qui a pour objectif, à travers l'organisation d'événements de Tourisme, de mieux connaître les personnes qui coopèrent à l'intérieur de la FIM Europe, en créant des relations, en intensifiant la collaboration, en augmentant le niveau de confiance entre collègues, en motivant le groupe et en générant cohésion et intégration.

RESULTATS

Une rubrique récemment intégrée au site Internet est dédiée aux résultats des manifestations sportives. On y trouve les classements finaux de toutes les manifestations, mais aussi la liste des engagés, le programme des courses, et les classements de la saison et les statistiques.

BEYOND SPORT

The new session "Beyond Sport" section gives access to "Environment", "Public affairs" and "FIM Europe Club". FIM Europe, in fact, is also engaged in helping the motorcycling world in providing social values to its activities. Four main areas are considered: Environment, Public Affairs, Safety, Education and FIM Europe Club. The first two pages are managed by the corresponding Commissions with activities, documents and other original contents demonstrating the role that FIM Europe can play in increasing awareness among European motorcyclists in environment and road safety issues. The Education section is dedicated to the different opportunities provided by FIM Europe to improve knowledge both on people involved in sporting events (ie Event Physician Course) and on different segment of motorcycling (extremely young riders or elderly motorcyclists). The FIM Europe Club section gives updates on this new initiative of FIM Europe, which has the aim, through the organization of Touring events, to learn more about people co-operating inside FIM Europe, creating relationships, increasing collaboration, increasing the level of trust among colleagues, motivating the group and creating cohesion and integration.

RESULTS

A recent section of the website is dedicated to sporting events results. It collects the final classifications of all events but also the starting list, the schedule, the classifications of the season and the stats.

De plus, une newsletter et des magazines thématiques peuvent être téléchargés directement depuis le site Internet. Les informations sont également directement publiées sur la page Facebook officielle de la FIM Europe, très appréciée, ce qui élargit d'autant plus la portée des informations diffusées par la FIM Europe. FIM Europe Moto Tour Assistants Training Course

The FIM Europe's new initiative to improve and launch Europe wide motorcycle tourism services in past few years has resulted in a very successful training program for Tour Assistants. Since 2016, the FIM Europe in cooperation with National Federations has launched already 2 Tour Assistant (TA) training courses for individuals in tour organization business. Most of the TAs who passed the training are currently employed as motorcycle Tour Assistants in various countries. All of the TAs passed a training course composed a theoretical part, including first-aid training and a practical part at professional motorcycle training facility - Honda Safety Institute in Barcelona. The initiative to provide such a training and improve the riding skills, techniques and pass various exercises are "a must" for individuals who are planning to run – or are already running – motorcycle (group) tours. After completion of the program all TAs received the FIM Europe approved Certificates. Below is the list of FIM Europe authorized Tour Assistants who have passed a professional theoretical and practical training and are entitled to provide both group and individual motorcycle tours in respective countries. Dans le cadre de l'accroissement de ses activités touristiques, FIM Europe inspecte des logements (hôtels, motels, auberges, pensions, terrains de camping etc.) en Europe réservant un accueil amical aux motocyclistes en conformité aux standards exigés par FIM Europe.

Si ces standards sont respectés, FIM Europe leur décernera l'emblème officiel d'hébergement de FIM Europe. Par conséquent, il est assuré, que les motocyclistes sont particulièrement bienvenus aux hébergements où l'emblème "Bienvenue aux motocyclistes" est affiché.

Aux hébergements ayant affiché cet emblème, le gérant de l'hébergement remplira les standards FIM Europe suivants:

Un abri pour les motocycles qui est facilement accessible, sûr et, dans l'idéal, couvert d'un toit.

Une salle pour laisser sécher les vêtements qui peut être fermée à clé si les vêtements ne peuvent pas être séchés dans la chambre (sauf terrains de camping).

Une possibilité de laver et d'entretenir les motocycles à l'hébergement ou à proximité de celui-ci.

Adresses, numéros de téléphone de garages spécialisés à proximité, de commerçants d'accessoires et de services de dépannage à proximité.

Recommandations pour des tours de moto dans les environs (si possible également hors route).

Informations quant aux prévisions météorologiques et l'état des routes.

MOTORCYCLE FRIENDLY HOTELS

Within its growing tourism activities the FIM Europe is inspecting interested and suitable accommodations (hotels, motels, inns, boarding houses, campsites etc.) in Europe for their motorcycle-friendliness in compliance with the standards set by the FIM Europe.

If these standards are met, the FIM Europe awards the official FIM Europe Accommodation Sign. Consequently, accommodations presented with this Sign will cordially welcome motorcyclists as their guests.

At an accommodation displaying the official Sign the accommodation operator will comply with the FIM Europe standards listed below:

An easily accessible, protected and ideally covered garaging facility for motorcycles.

A lockable drying room for motorcycle clothing, if the room does not have a sufficient drying facility (campsites excepted).

Quand on n'est pas indiqué une distinction entre épreuves de qualification et finale, cela signifie que le droit de calendrier est le même pour tous les deux.
When not indicated a distinction between qualifying rounds and final, it means that the calendar fee is the same for both.

Si les officiels FIM Europe sont les mêmes (pas de charges supplémentaires), la même règle s'applique à toutes les disciplines: si 2 manifestations/catégories se disputent le même week-end, seulement le droit au calendrier le plus élevé sera facturé, en cas de 3 manifestations ou plus le même week-end, toujours le droit au calendrier le plus élevé sera facturé, mais un montant fixe de 100,00€ s'ajoutera pour chaque manifestation/catégorie supplémentaire au-delà de la 2^{ème}.

When the FIM Europe officials are the same (no further charges), for all disciplines is valid the same rule: in case of 2 events/classes taking place on the same weekend, only the highest calendar fee will be invoiced; in case of 3 or more events on the same weekend, it will be invoiced always the highest calendar fee, but adding a fix amount of €.100,00 for each further event/class over the 2nd one.
