Press Release n. 98

2019 Motocross of European Nations Entry Lists

FIM Europe and Youthstream are happy to release the entry lists for the FIM Europe's 2019 Motocross of European Nations and the Women's Motocross of European Nations held this weekend on the 5th and 6th of October in Gdansk, Poland!

This will be the third consecutive year that Poland will host the MXoEN, following the success of the previous events. And this weekend is set to be even better, with record breaking entries, the competition is set to be fierce.

2018 winners, Italy, will once again return to defend both the MXoEN and the WMXoEN titles, while others will be hoping to get their shot at the top step of the podium and one

of those teams being the ladies USA squad, who will be making the trip across the world to join us for the very first time for the Motocross of European Nations.

Who will win this weekend? There's only one way to find out, so make sure you follow us on our social media channels to keep up to date with all the latest.

Here below the full entry lists.
