Press Release n. 21

2020 European Championships

Calendars Updates

Due to the ongoing coronavirus outbreak, the FIM Europe regrets to inform that some scheduled races of the European Championships will be postponed or cancelled.

As the global outbreak of coronavirus continues to develop, the European governments are communicating provisions in order to face the emergency.

The aim of the FIM Europe is to run with all the races programmed, but also to postpone other events if that becomes necessary.

Daily updates will be published on the website in the sport and events section ([click here to go directly to the 2020 calendars](#)).

In a difficult moment like this we ask everybody for a great sense of responsibility.

FIM Europe's priority is the total protection of the riders, organizers, public and all the staff involved in the events.
