Press Release n. 52

FIM Europe Enduro & Rally Commission News

It's with great regret that FIM Europe and the Enduro & Rally Commission have to announce the cancellation of the Tout Terrain Rally event in Romania scheduled on September 13th.

This is a tough decision taken by the promoters and the organizers, following the increasing epidemic situation of Covid-19 in Romania and the numerous travel restrictions to enter and depart from the country.

All the incoming riders should have to go quarantine for 14 days when entering in Romania and then again when returning to their country.

The events in Greece and Portugal are still confirmed: [click here to go directly to the 2020 calendars](#).

FIM Europe's priority is the total protection of the riders, organizers, public and all the staff involved in the events.
