## FIM Europe announces the cancellation of the Congress in Belgrade

The FIM Europe, according to the Serbian Federation, regrets to announce the cancellation of the FIM Europe Congress 2021 scheduled from 8<sup>th</sup> to 11<sup>th</sup> July 2021 in Belgrade due to the uncertain situation because of the Coronavirus pandemic.

This tough decision comes as it's still hard to predict how the situation will be in about two months and because of the different travel restrictions all over Europe and the quarantine rules.

The FIM Europe is discussing and agreeing with the FIM to hold the General Assembly in Montecarlo in December. Instead, the FIM Europe Commissions will meet by means of Zoom platform, on the original dates of the Congress in July.
