The FIM Europe, together with Infront Moto Racing, is delighted to share the updated calendar for the **2022 Motocross European Championships**.

The main changes include the MXGP of Lombardia taking place on the 5/6 March, as well as the MXGP of Portugal which will make an appearance on the racing calendar on the 2/3 April, after missing a GP in the last two years.

As originally planned, the series will kick-off at the Matterley Basin for MXGP of Great Britain on 20 February. The rest of the calendar remains the same, with only one TBA event remaining on the 17/18 September.

Please visit the FIM Europe website for further information and updates.
