BIENVENU DU PRÉSIDENT DE LA FIM EUROPE

J'ai le plaisir, pour la deuxième année consécutive, d'adresser quelques mots dans l'annuaire FIM Europe à l'ensemble de nos membres, bénévoles et collaborateurs. Cette publication, qui regroupe les informations les plus importantes sur notre organisme, est selon moi un outil de communication important.

Je croyais vraiment que cette terrible guerre en Ukraine serait déjà terminée. Hélas, ce n'est toujours pas le cas. Nous sommes témoins de cette situation tragique, qui affecte aussi le sport, et sommes prêts à apporter toute l'aide possible à nos amis agressés.

C'est une saison très réussie qui vient de se conclure et, plus important pour moi, une saison qui a rimé avec sécurité, sans blessures graves. Nous avons eu un nombre stable de manifestations et de participants avec un haut niveau d'organisation, comme en témoigne la visibilité accrue d'un grand nombre de nos épreuves.

L'année dernière, notre congrès a eu lieu début juillet dans la belle ville de Saragosse en Espagne. L'Assemblée générale a approuvé l'état financier, les rapports sportifs et extra-sportifs, et élu un nouveau membre du Collège juridique. Je tiens à remercier encore une fois la RFME pour sa formidable collaboration : ce rassemblement a été extraordinaire pour tous les délégués présents dans cette belle ville historique d'Espagne !

Fin novembre, toutes les commissions sportives et extra-sportives se sont réunies pour la première fois dans un nouveau lieu. Après dix ans de réunions à Fiumicino avec des sessions séparées, nous avons décidé d'organiser les réunions de l'ensemble des commissions au même moment. Je pense que ce changement est bénéfique et qu'il contribuera également à l'intégration des membres de nos commissions. Le lendemain, le Comité directeur s'est réuni au secrétariat général à Fiumicino. Nous avons discuté de la saison passée et des activités de la saison à venir, du calendrier prévisionnel et du prochain congrès à Rome, qui sera organisé directement par le personnel expérimenté du secrétariat général FIM Europe, avec la collaboration de la Fédération Italienne de Motocyclisme.

WELCOME FROM THE FIM EUROPE PRESIDENT

This is the second year I have the pleasure of addressing, in the FIM Europe Yearbook, some words to all our members, volunteers and collaborators. I consider this publication, which collects the most important information about our organisation, an important communication tool.

I really believed that this terrible war in Ukraine would have been already over. Unfortunately, this has not happened so far, and we have yet to witness the terrible situation, which also affects sport, and we should be ready for any help for our friends under attack.

We concluded a very successful season and, more important for me, a safe season without serious injuries. We have had a stable number of events and participants with a high level of organisation, as evidenced by the increased profile of many of our events.

At the beginning of July last year, we held our Congress in the beautiful city of Zaragoza in Spain. The General Assembly approved the financial statements, sport and beyond sport reports and elected a new member of the Judicial Panel. I would like to thank RFME again for the great collaboration: it was an extraordinary meeting for all the delegates who participated in the historic Spanish city!

At the end of November, all the sport and beyond sport commissions met for the first time in a new location. After ten years of meetings in Fiumicino, with separate sessions, we have decided to meet jointly with all the Commissions on the same occasion. I believe that it was a good change and that it will also contribute in terms of integration of the members of our Commissions. The following day the Management Council meeting was held at our General Secretariat in Fiumicino. We discussed the past season and next season's activities, the draft

Cette année est particulière pour la FIM, qui célèbre son 120e anniversaire. Parmi les nombreux événements marquant cette célébration, soulignons l'introduction d'un nouveau logo qui concernera l'ensemble des CONU, ce qui explique que nous adoptons également un nouveau logo, qui viendra remplacer l'ancien au fur et à mesure.

Je tiens également à souhaiter la bienvenue dans notre communauté à deux nouveaux membres : les Fédérations de motocyclisme d'Albanie et d'Arménie. Nous regroupons maintenant 49 fédérations européennes, le nombre le plus élevé dans l'histoire de la FIM Europe. Je saisiss cette occasion pour remercier nos fédérations pour leur formidable collaboration, et l'ensemble des clubs organisateurs pour l'élévation constante du niveau des Championnats et Coupes d'Europe. Je remercie également nos promoteurs, sponsors et partenaires pour leur soutien, leur réel partenariat et parfaite collaboration.

Et un grand "MERCI" à tous les coureurs qui ont participé à nos manifestations.

Je vous souhaite une magnifique saison, en toute sécurité !

calendar and the next Congress in Rome, which will be organized directly by our expert staff of the FIM Europe General Secretariat, in collaboration with the Italian Motorcycle Federation. This year is very special for the FIM as it celebrates its 120th anniversary. One of the many aspects of the celebratory activities is the implementation of a new logo. Of course, this also affects all CONUs and that is why we are also changing our logo, which will happen step by step. I would also like to welcome new members to our community: the Motorcycle Federations of Albania and Armenia. We are now 49 Federations in Europe, the highest number in the history of FIM Europe.

I would like to take this opportunity to thank our Federations for their great collaboration and all the organising clubs for the continuous raising of the level of the European Championships and Cups. I would also like to thank for all the support our Promoters, Sponsors and Partners for their true partnership and perfect collaboration.

And a big "thank you" to all the riders who participate in our events.

I wish you a fantastic and safe season!

FIM EUROPE

AUTORITÉ

La FIM Europe est une organisation européenne agissant dans tous les domaines liés aux activités motocyclistes et, en tant que telle, dans les domaines relevant du sport, du tourisme, des loisirs, de l'environnement, des transports, de la sécurité routière, des affaires juridiques, de la protection et de la défense des droits et des intérêts des usagers motocyclistes. La FIM Europe est habilitée à exercer toute autre prérogative pouvant lui être accordée par une décision du Comité Directeur ou de l'Assemblée Générale de la FIM qui traitera dans le détail les modalités et les délais. Pour ce qui est du sport motocycliste, la FIM Europe est l'unique autorité suprême européenne habilitée à contrôler les activités sportives motocyclistes organisées sous sa juridiction à travers l'Europe. Les titres officiels délivrés lors des Championnats d'Europe, Coupes FIM Europe et de toutes autres compétitions ou événements européens, dans toutes les disciplines du sport motocycliste, sont la propriété exclusive de la FIM Europe. En conséquence, la FIM Europe peut imposer les conditions techniques et économiques qu'elle juge nécessaires au déroulement des événements relatifs à ces titres. La FIM Europe est le propriétaire exclusif des droits de télévision, radiodiffusion, cassettes vidéo, commercialisation, publicité, promotion, licences et de tous autres droits relatifs aux Championnats d'Europe et Coupes européennes.

BUTS

L'objectif de la FIM Europe est de développer et promouvoir le motocyclisme sous toutes ses formes en Europe, ainsi que la coopération et l'amitié entre les pays membres, et notamment:

- examiner les questions relatives au développement de l'activité motocycliste en Europe;
- organiser les championnats européens et mettre en place toute compétition qui pourra paraître bénéfique;
- coopérer avec la FIM pour tous les problèmes concernant l'organisation de manifestations internationales et l'activité motocycliste en général;
- organiser des stages et des séminaires pour les pilotes, les officiels, les entraîneurs et les administrateurs des différents pays membres de la FIM Europe;

FIM EUROPE

AUTHORITY

The FIM Europe is a European organization acting in all matters in relation with motorcycling activities and, as such, in domains ranging from sport, tourism, leisure, environment, mobility, road safety, legislative affairs, protection and defence of the rights and interests of motorcycle users. The FIM Europe is entitled to exercise any other power that has been entrusted to it by a decision of the Board of Directors or the General Assembly of the FIM which will specify in detail the terms of references and the time limit thereof.

As far as motorcycle sport is concerned, the FIM Europe is the supreme and sole European authority empowered to control European motorcycling sport activities organized under its jurisdiction throughout Europe. The official titles of European Championships, FIM Europe Cups and any other European competitions and events in all disciplines of the motorcycle sport are the exclusive property of the FIM Europe. Consequently, the FIM Europe can impose technical and economic conditions which it judges necessary for the running of events relative to these titles. The FIM Europe is the sole owner of all television, radio, video cassettes, marketing, advertising, merchandising, promotional, licensing and any other rights for the European Championships and FIM Europe Cups.

AIMS

The aims of the FIM Europe are to develop and promote all forms of motorcycling in Europe as well as the co-operation and friendship between its members, and notably:

- to examine all questions related to the development of motorcycling in Europe;*
- to organize European Championships and to establish all competitions that appear beneficial;*
- to co-operate with the FIM in all matters relating to the organization of international events and motorcycling in general;*
- to organize camps and seminars for riders, officials, coaches and administrators of various FIM Europe Members;*
- to support the creation and development of motorcycling activities in all European countries;*

- encourager la création et le développement des activités motocyclistes dans tous les pays européens;
- promouvoir la coopération parmi les fédérations nationales européennes
- promouvoir le motocyclisme chez les jeunes, aussi bien dans le domaine de la compétition que du loisir;
- encourager l'utilisation de motocycles dans les pays européens et développer le tourisme motocycliste;
- représenter les intérêts des motocyclistes devant les autorités européennes;
- faire promouvoir par les médias le sport motocycliste et l'utilisation de motocycles dans toute l'Europe.

UN PEU D'HISTOIRE

L'idée de créer un organisme européen de motocyclisme naquit de l'exigence de traiter des sujets étroitement liés à des situations particulières et locales.

Par exemple, la nécessité d'étudier une "licence européenne", après que l'Union Européenne avait libéralisé l'activité sportive dans les 15 pays adhérents, ou de trouver une solution à la très grande difficulté des pays de l'Europe de l'Est pour développer un minimum d'activité sportive internationale dans l'état de crise consécutif à la chute du mur de Berlin.

Problèmes nombreux que la FIM, organisme mondial, aurait pu difficilement gérer et maîtriser dans si peu de temps. Le 5 Septembre 1995 les représentants de 7 Fédérations Motocyclistes Nationales se réunirent à Munich avec l'intention de créer une Union Européenne des Fédérations

Nationales, semblable à l'Union Latino-Américaine déjà existante et reconnue par la FIM. Les représentants des Fédérations Nationales présentes à Munich, celles de la France, de l'Italie, de la Suisse, de la Grèce, de la Slovaquie, du Portugal et de l'Allemagne (ADAC) signèrent un protocole

d'accord, dans lequel il était précisé que le nouvel organisme n'était pas né en opposition lesquelles à la FIM, mais à l'intérieur de la FIM pour favoriser la promotion, le développement et la diffusion du motocyclisme dans le Vieux Continent et une collaboration plus étroite entre les Fédérations Nationales, spécialement avec celles des pays où le motocyclisme n'était pas encore très développé. Lors de la réunion suivante à Bratislava le 27 Novembre 1995, d'autres Fédérations Nationales (Biélorussie, Bulgarie, Estonie, Hongrie, Lituanie et République Tchèque) demandèrent de faire partie du nouvel organisme. L'élection de Francesco

- to promote the co-operation among all European FMNs;
- to promote motorcycling among young people, both as sport and motorcycling in general;
- to encourage the use of motorcycles in European countries and to develop motorcycle tourism;
- to represent the interests of motorcyclists before European authorities;
- to promote in the media the sport of motorcycling and the use of motorcycles in all of Europe.

A LITTLE BIT OF HISTORY

The idea of creating a European motorcycle organization started from the need to face certain themes strictly connected to particular local situations.

For example, the necessity to study a "European licence", after the European Union had liberalized the sport activity in its 15 affiliated Countries, or to find a solution to the great difficulties of the Eastern Europe Countries in developing an international sporting activity in the situation of great crisis after the fall of the Berlin wall. All problems that the FIM, world-wide organization, would have managed and controlled with difficulty in such a short time. On the 5th September 1995 the representatives of 7 National Motorcycle Federations met in Munich in order to create a European Union of the national Federations, like the Latin-American Union that has existed for many years and is recognized by the FIM. The Federations which were present in Munich are those of France, Italy, Switzerland, Greece, Slovakia, Portugal and Germany (ADAC). A document of agreement was signed in which it is specified that the new organization was not born in opposition to the FIM but inside it, in order to improve promotion, development and diffusion of motorcycling in the Old World and achieve a strict cooperation among the National Federations, especially with those countries where motorcycling was not yet developed. During a further meeting in Bratislava on the 27th November 1995 other Federations (Belarus, Bulgaria, Estonia, Hungary, Lithuania and Czech Republic) asked to be a part in the new organization.

The election of Mr Francesco Zerbi as the FIM President gave a new enthusiasm to those who had believed in this initiative and on the 17th February 1996, on the FFM initiative, a Constituent Assembly was convened in Paris during which 21 National Motorcycle Federations decided to join the UEM. Germany was no more represented by the only ADAC, but by the National Federation (OMK). The Assembly approved the Statutes and elected Mr Jean-Pierre Mougin as President, the eight members of the Management Council and two

Zerbi à la présidence de la FIM donna un nouvel élan à ceux qui avaient cru en cette initiative et le 17 Février 1996, à l'initiative de la FFM, une Assemblée constitutive fut convoquée à Paris, au cours de laquelle 21 Fédérations Motocyclistes Nationales décidèrent d'adhérer à l'UEM. L'Allemagne n'était plus représentée par l'ADAC, mais par la Fédération Nationale (OMK). L'Assemblée approuva les Statuts et élut M. Jean-Pierre Mougin comme Président, huit membres du Conseil de Direction et deux Commissaires aux Comptes Internes.

Le siège légal de l'UEM fut fixé à Mies, auprès de la FIM, et le Secrétariat Exécutif à Rome, compte tenu de la nomination de M. Vincenzo Mazzi comme Secrétaire Général. M. Wilhelm Lyding, président sportif de l'ADAC et promoteur de la constitution de l'UEM, fut nommé Président d'Honneur. Deux Commissions furent aussi constituées, une Commission sportive présidé par M. Dieter Junge et une autre chargée de la Promotion, du Tourisme et Voie Publique présidée par M. Jorge Viegas, toutes deux composées par de Groupes de Travail spécifiques dont les membres n'étaient pas élus, mais nommés par le Conseil de Direction, afin d'avoir une certaine garantie d'efficacité et de flexibilité. Cette organisation est validée provisoirement pour deux années, le temps nécessaire afin que l'UEM pût grandir et faire ses premiers pas. Pendant ce temps, un Groupe de Travail présidé par M. Jacob Douglas fut aussi constitué afin de revoir le texte des Statutes et proposer un Règlement Intérieur. Le premier Congrès de l'UEM s'est tenu les 5 et 6 juillet 1996 à Cologne, Allemagne, regroupant les délégués de 29 des 33 Fédérations affiliées. L'UEM fut reconnue de la FIM lors du Congrès du 1997 à Athènes. En 1997 la FIM amende ses Statutes en adoptant les dispositions relatives aux CONUs lesquelles sont entrés en vigueur le 19 octobre 1998. Par la suite l'UEM est reconnue comme Union Continentale (CONU) lors du Congrès FIM de 1998 à Cape Town. A partir de 1998, l'UEM a reçu de la FIM la responsabilité d'organiser des Championnats et Coupes Européennes. En 2010, la FIM adopte des modifications statutaires et les CONUs sont désormais appellées FIM Africa, FIM Asia, FIM Europe, FIM Latin America, FIM North America et FIM Oceania. L'Assémbly Générale extraordinaire de l'UEM du 30 Novembre 2012 a pris la décision de modifier ses Statutes en conséquence.

Auditors. The legal Headquarters of the UEM

(Union Européenne de Motocyclisme European Motorcycle Union) was located in Mies at the FIM Headquarters and the Executive Secretariat in Rome, considering the appointment of Mr Vincenzo Mazzi as Secretary General. Mr Wilhelm Lyding, ADAC Sport President and promoter of the UEM constitution, was appointed Honorary President. Two Commissions were also formed, a Sporting Commission presided by Mr Dieter Junge and a Commission for Promotion, Tourism, Road Safety and Mobility presided by Mr Jorge Viegas, both composed of specific Working Groups whose members were not elected, but appointed by the Management Council in order to grant a certain efficiency and flexibility. This organization had a temporary validity of two years, the necessary time for the UEM to grow up and move the first steps. In the meantime, a Working Group presided by Mr Jacob Douglas was also formed in order to revise the text of the Statutes and to propose the By-Laws. The first UEM Congress was held on July 5th and 6th 1996 in Koeln, Germany, and it gathered the delegates of 29 among the 33 affiliated Federations. The UEM was officially recognized as a Continental Union (CONU) at the 1997 FIM Congress in Athens. In 1997 FIM modifies its Statutes adopting the regulations about CONUs, which will become effective on October 19th 1998. Consequently, UEM is recognized as Continental Union (CONU) from the Cape Town FIM Congress on. From 1998 on, UEM is put in charge by FIM to organise European Championships and Cups. In 2010, FIM amended its statutes by deciding the six existing CONUs would be named henceforth as follows: FIM Africa, FIM Asia, FIM Europe, FIM Latin America, FIM North America and FIM Oceania. On 30 November 2012, an UEM Extraordinary General Assembly took the decision to modify its statutes accordingly.

■ AU SERVICE DES FÉDÉRATIONS EUROPÉENNES

Le Secrétariat Général de la FIM Europe est entré en fonction en 1999 sous le nom de Secrétariat Exécutif de l'UEM, et a pris le nom de "Secrétariat Général" suite à l'approbation des statuts prononcée lors de l'Assemblée générale extraordinaire du 30 novembre 2012 à Monaco, convoquée suite à la modification des statuts FIM approuvée à Macao en 2010.

En 2019, le Secrétariat Général a célébré ses vingt premières années au service des Fédérations Nationales de Moto appartenant à FIM Europe.

Le Secrétariat Général, basé à Fiumicino (Rome) - ITALIE, Viale delle Arti 181, est l'organe administratif permanent de la FIM Europe.

En se tournant toujours plus vers l'innovation, le Secrétariat a développé sa capacité à répondre aux multiples demandes générées par les activités sportives et non-sportives incessantes et en constante augmentation.

Le Secrétariat Général, au travers de ses différents services (Finances & comptabilité – Sportif - Marketing & Communication - Voyages & logistique) est donc à même d'offrir une large gamme de services aux Fédérations, aux organes de la FIM Europe et aux Officiels.

Sa créativité s'exprime dans la volonté à sortir des schémas traditionnels et dans la recherche incessante de nouvelles procédures, toujours plus efficaces et productives.

On est toujours utilisée une vision réaliste des concepts de « administration » et de « services » pour que les idées créatives se transforment en innovations.

La passion pour le travail et pour la création d'innovation représente le style de vie du Secrétariat, une attitude mentale inspirant le travail quotidien. L'esprit de service s'accompagne toujours à une compréhension émotionnelle, grâce à laquelle le Secrétariat s'efforce toujours d'adapter ses services aux particularités de ses Membres et d'atteindre un niveau satisfaisant d'empathie envers chacun d'entre eux, en tenant compte de leur complexité et de leur diversité, même s'ils appartiennent tous à la même grande famille du Motocyclisme.

SERVING THE EUROPEAN FEDERATIONS

The FIM Europe General Secretariat begins its operation in 1999 as UEM Executive Secretariat, assuming its current name of "General Secretariat" with the new Statutes approved on the 30 th November 2012, at the Extraordinary General Assembly in Monaco, following the modification of the FIM Statutes approved in Macau in 2010.

In 2019, the General Secretariat celebrated its first twenty years at the service of the National Motorcycling Federations Members of FIM Europe.

The General Secretariat is the permanent administrative body of FIM Europe and it is based in Fiumicino (Rome) – ITALY , at Viale delle Arti, 181.

Thanks to an accentuated attitude to innovation, the Secretariat has developed the ability to answer to the multiple requests coming from the continual sports and non- sporting activities, in constant growth.

Therefore the General Secretariat, through its Departments (Financial & Accounting – Sports - Marketing & Communication- Travel & Logistics) is able to offer a wide range of services to Federations, Bodies of FIM Europe and Officials.

The creativity is reflected in going out from the traditional schemes and in a constant research for new procedures, more and more effective and efficient.

It is always used a realistic view of the concept of "administration" and "services", in order to transform creative ideas in innovation.

The passion for the work and for the creative innovation represents the life style of the Secretariat, a mental attitude inspiring the daily job.

The spirit of service is constantly accompanied by emotional intelligence, with which the Secretariat tries to shape the services on the peculiarities of its Members, trying to be in empathy with all of them, considering their complexity and their diversities, even if belonging to the same big family of Motorcycling.

LE SECRETARIAT GENERAL A FIUMICINO (ROME) – ITALIE

Après avoir eu son siège durant 20 ans Via Giulio Romano, dans le nord de Rome, le secrétariat général a emménagé en décembre 2019 dans ses nouveaux locaux situés dans un centre d'affaires proche de l'aéroport de Fiumicino - Viale delle Arti, 181 – I-00054 Fiumicino (Rome) ITALIE. Il s'agit de la dernière étape "physique" du processus de renouvellement et de modernisation du secrétariat général. Ce processus nous a menés, après une première phase de création et de lancement entre 1999 et 2010, à des changements progressifs mais constants, jusqu'à finalement atteindre la forme et la substance d'une organisation internationale moderne, prête à offrir ses services sur la base de trois critères :

1 - EFFICACITÉ

Par définition, l'efficacité est la bonne utilisation du temps et de l'énergie de façon à ne pas en gaspiller. En tant qu'organisation internationale, nous devons être à proximité d'une plaque tournante internationale telle que l'aéroport international de Fiumicino, ce qui nous assure des hébergements et des déplacements facilités.

2 - TRANSPARENCE

Il s'agit de la caractéristique de ce qui est clairement visible. Nous ne mettons aucune barrière dans la gestion de nos activités administratives, et même les murs de nos nouveaux bureaux sont transparents.

3 - PARTICIPATION

Avec la transparence, c'est l'un des principes de la bonne gouvernance. Notre salle de réunion, dénommée "FORUM FIM EUROPE", est mise à disposition de la FIM, des FMN, des promoteurs et partenaires qui doivent organiser des réunions à Rome. L'objectif est d'être toujours plus proche des parties intéressées, de leur offrir des services toujours plus performants et de faciliter leur implication et participation aux activités de notre organisation.

Les intéressés mentionnés ci-dessus peuvent réserver la salle de réunion (gratuitement) en contactant notre service logistique :

THE GENERAL SECRETARIAT IN FIUMICINO (ROME) – ITALY

After 20 years of stay in the seat of Via Giulio Romano, in the Northern area of Rome, the General Secretariat, in December 2019, moved to the new seat in a business center located close to Fiumicino Airport - Viale delle Arti, 181 – 00054 Fiumicino (Rome) ITALY.

This represents a last "physical" step at the end of a process of renewal and modernization of the General Secretariat. This process has led us, from a first phase of creation and start-up from 1999 to 2010, to a progressive but constant change until we have finally assumed the form and substance of a modern international organization ready to provide its services following three criteria:

1 - EFFICIENCY

As per definition efficiency is the good use of time and energy in a way that doesn't waste any. As an international organization we need to be close to an international hub like the Fiumicino International Airport. This means: easy accommodation and easy transfers.

2 - TRANSPARENCY

It is the characteristic of being easy to see through. We do not oppose any barrier in the conduct of our administrative activities as we have transparent walls in our new office.

3 - PARTICIPATION

Together with transparency, it is one of the principles of Good Governance. Our meeting room "FIM EUROPE FORUM" is available to FIM, FMNs, Promoters and Partners who have to organize meetings in Rome. The aim is to be even closer to our stakeholders, to offer them even more efficient services and to facilitate their involvement and participation in the activities of our organization. The interested parties can book the meeting room (without any charge) by contacting the Logistic Department:

THE PRIVILEGE OF SERVING EUROPEAN MOTORCYCLING

We are proud and proud to work for FIM Europe and to serve European Motorcycling.

Every morning, going to work, we know that the day will not be the same as the previous one. We have an extremely multifaceted reality with which to deal. Different experiences, different cultures, different habits, different ways of interpreting what needs to be done but one common denominator: passion. This allows, with the right degree of flexibility, to never have unsolvable problems but always find a solution.

We are a small but complex organisation. However, we are structured in such a way as to be able to manage a significant number of activities, both institutional and on field, without ever losing empathy with those who interact with us. Relationships are never cold and detached but we behave like a real family. The human factor is fundamental.

In this way, every new day and every new challenge gives the opportunity to create a better future.

We feel that we belong to an exceptional world that we try to shape every day with our commitment, following our values... proud to belong to FIM Europe.

Alessandro Sambuco

LE PRIVILEGE D'ETRE AU SERVICE DU MOTOCYCLISME EUROPEEN

Nous sommes très fiers de travailler pour la FIM Europe et d'être au service du motocyclisme européen.

En allant au travail chaque matin, nous savons que la journée à venir sera différente de la précédente. Nous évoluons dans un environnement extrêmement riche et varié, avec des expériences différentes, une culture et des habitudes différentes, et différentes façons d'interpréter ce qui doit être fait, mais avec un seul dénominateur commun : la passion. Ce qui nous permet, avec le bon degré d'adaptabilité, de toujours trouver une solution à tous les problèmes.

Notre organisation est petite, mais complexe. Nous sommes cependant structurés de manière à pouvoir gérer un grand nombre d'activités, aussi bien institutionnelles que sur le terrain, tout en conservant toujours un lien d'empathie avec les personnes qui interagissent avec nous. Nos relations ne sont jamais froides et détachées, et nous nous comportons comme une vraie famille. Le facteur humain est essentiel.

De cette façon, chaque nouvelle journée et chaque nouveau défi nous offre l'opportunité de créer un avenir meilleur.

Nous sentons que nous appartenons à un monde d'exception, que nous nous efforçons de façonner chaque jour par notre engagement, en respectant nos valeurs... fiers d'appartenir à la FIM Europe.

LA COMMUNICATION

COMMUNICATION

Le Service Presse de la FIM Europe s'efforce constamment d'offrir au public un flux continu de nouvelles informations. La promotion des activités de la FIM Europe et des actualités la concernant fait l'objet d'une attention particulière, de manière à rendre son action plus transparente et les bénéficiaires de ses services plus conscients du travail qu'elle accomplit.

La communication se concentre sur les actualités sportives et extra-sportives : quatre types de communiqués de presse (institutionnels, flashs infos, annonce des courses et comptes-rendus) permettent de diffuser des informations sur les activités de la FIM Europe, avec l'envoi régulier d'une newsletter à une liste pré-établie d'adresses e-mail.

La FIM Europe actualise chaque jour son site Internet et publie un magazine en ligne trimestriel, le FIM Europe MAG. Il s'agit d'un moyen de communication essentiel pour promouvoir et faire connaître ses activités. Les médias sociaux occupent également une place primordiale et la page Facebook officielle est quotidiennement mise à jour.

SITE INTERNET FIM EUROPE

www.fim-europe.com

Le site Internet de la FIM Europe s'adresse à toute personne intéressée par le motocyclisme continental, que ce soit au niveau sportif ou extra-sportif. L'objectif principal est de fournir des informations détaillées et régulièrement actualisées sur ce qui se passe en Europe, en insistant particulièrement sur les initiatives de la FIM Europe. Les informations publiées sur le site Internet sont mises à jour quotidiennement. Visuellement attrayant, il a été conçu pour naviguer facilement d'une rubrique à l'autre, également depuis votre smartphone. Le site Internet est également adapté aux différents réseaux sociaux, sur lesquels il est plus facile de partager les photos et les communiqués.

Le site est composé des rubriques suivantes :

- A PROPOS DE LA FIM EUROPE

Cette rubrique donne une vue d'ensemble de l'organisation de la FIM Europe et de son histoire. Elle contient des pages donnant les coordonnées des membres de la FIM Europe et le nom de l'ensemble des personnes faisant partie des organes de la FIM Europe (Comité Directeur, Commissions, Collèges), ainsi que les coordonnées du Secrétariat général. Il est possible de télécharger facilement les règlements FIM Europe et de consulter par la même occasion un calendrier interactif donnant des informations sur les principales manifestations.

- SPORT

Cette rubrique contient toutes les informations sur les nombreuses disciplines du sport motocycliste couvertes par les Championnats continentaux et Coupes d'Europe. Chaque discipline a sa propre page contenant des calendriers des manifestations actualisés, les règlements sportifs & techniques (ainsi que les règlements particuliers des manifestations), des bulletins d'inscription téléchargeables pour les coureurs, un service de résultats géré par le Secrétariat général FIM Europe donnant accès à l'ensemble des résultats et classements des manifestations de Championnats et Coupes d'Europe, les résultats des éditions des années passées, un tableau d'honneur et encore bien d'autres informations et points d'intérêt.

- AU-DELA DU SPORT

La rubrique «Beyond Sport» donne accès aux sous-rubriques «Environnement», «Affaires Publiques» et «Club FIM Europe».

COMMUNICATION

COMMUNICATION

The FIM Europe Press Office is always engaged in providing a constant flow of new contents to the audience. Great attention is given to the promotion of activities and news, increasing the level of transparency and awareness of the beneficiaries and those who benefit from the work that it carries out.

The communication is focused on the sport and beyond-sport news: four different kinds of press releases (institutional, flash news, race preview and report) mark the FIM Europe activities with scheduled newsletter sent to a selected mailing list database.

The FIM Europe updates its website daily and publishes, albeit on a quarterly basis, its online magazine, the FIM Europe Mag. This is a very important means of communication to promote and raise the awareness of its activities. Great attention is given to social media too, with the Facebook official page daily updated.

FIM EUROPE MOTO TOUR ASSISTANTS TRAINING COURSE

The FIM Europe's new initiative to improve and launch Europe wide motorcycle tourism services in past few years has resulted in a very successful training program for Tour Assistants. Since 2016, the FIM Europe in cooperation with National Federations has launched already 2 Tour Assistant (TA) training courses for individuals in tour organization business. Most of the TAs who passed the training are currently employed as motorcycle Tour Assistants in various countries. All of the TAs passed a training course composed a theoretical part, including first-aid training and a practical part at professional motorcycle training facility - Honda Safety Institute in Barcelona. The initiative to provide such a training and improve the riding skills, techniques and pass various exercises are "a must" for individuals who are planning to run – or are already running – motorcycle (group) tours. After completion of the program all TAs received the FIM Europe approved Certificates. Below is the list of FIM Europe authorized Tour Assistants who have passed a professional theoretical and practical training and are entitled to provide both group and individual motorcycle tours in respective countries. Si ces standards sont respectés, FIM Europe leur décernera l'emblème officiel d'hébergement de FIM Europe. Par conséquent, il est assuré, que les motocyclistes sont particulièrement bienvenus aux hébergements où l'emblème "Bienvenue aux motocyclistes" est affiché.

Aux hébergements ayant affiché cet emblème, le gérant de l'hébergement remplira les standards FIM Europe suivants.

Within its growing tourism activities the FIM Europe is inspecting interested and suitable accommodations (hotels, motels, inns, boarding houses, campsites etc.) in Europe for their motorcycle-friendliness in compliance with the standards set by the FIM Europe.

If these standards are met, the FIM Europe awards the official FIM Europe Accommodation Sign. Consequently, accommodations presented with this Sign will cordially welcome motorcyclists as their guests.

At an accommodation displaying the official Sign the accommodation operator will comply with the FIM Europe standards listed below.
