

Entry procedure for EMX125, EMX250, EMX2t, EMX Open and the EMX65 / EMX85 finals combined with MXGP/MX2/MXoN:-

Registration is done online.

New riders should register online at <https://results.mxgp.com/riderloginrequests.aspx>
The rider should receive a reply within 48 hours.

Riders who have already registered in the past can start the entry process directly at <https://results.mxgp.com/entry/entryform1.aspx>

In the case of a rider forgetting his password please go to <https://results.mxgp.com/passwordrequest.aspx>

Important: All riders must register their personal email address as this is used for the login. In case of problems please contact the promoter by email at sportoffice@mxgp.com

As soon as the entry request is submitted an automatic email will be sent to the rider's FMN to obtain online start authorisation and necessary information.

For all other classes entry forms must be sent to the FMNR and/or Organiser.

For each event and in all classes the closing date for entries is 30 days before the event in question.

In the **EMX Open**, EMX2t, EMX250 and EMX125 classes, the Championship Promoter is entitled to enter additional riders.

In any case in all solo classes, the Championship Promoter can enter additional riders after the closing date and before the end of the technical verifications prior to the event.

In the case of EMX Quads, the FIM-EUROPE Motocross Commission can enter additional riders before the end of the technical verifications prior to the event.

The Championship Promoter must then inform the rider's FMN, the FMNR and/or the organiser in writing, by fax or by e-mail before the end of the technical verifications prior to the event.

For these riders entered by the Championship Promoter or the Motocross Commission, all listed entry conditions (apart from the closing date of entries) apply.

For **EMX Open**, EMX2t, EMX250, EMX125, plus the EMX65/85 Finals, the Championship Promoter will publish the list of riders entered.

For all other classes the FMNR and/or organiser will publish the list of riders entered.

Should an FMN consider that one of its riders has had his entry wrongly refused, the matter may be submitted to the FIM-EUROPE Executive Secretariat who will take immediate action.
