

# UEM Press Release

## nr 17/2012

### **RAIN AFFECTS THE START OF THE EMX65 AND EMX 85 SW**

*The first round of the South Western Europe EMX65 and EMX85 Motocross European Championship started yesterday in Faenza.*

*Weather conditions were extremely difficult with heavy rain all the time and muddy conditions on the track. The first race of EMX85 must be stopped because of these hard conditions. The winner of this first race was the Italian rider Nicholas LAPUCCI, who was followed by French rider Adrien MALAVAL on second place and Enzo TORANI on third.*

*All other races were cancelled because it was not possible to continue given the rain and the very deep muddy conditions.*
