## nr 03/2012

### **DECISIONS OF THE UEM EXECUTIVE BOARD**

*The UEM Executive Board met in an emergency session to take the required measures after the decision by the FIM Board of Directors of the 17th of February to assign to the Czech Association of Motorcycle Sport (CAMS) the organization of the World Championship Moto GP, Superbike and Speedway events scheduled this year in the Czech Republic.*

*The UEM Executive Board, noting that FIM acknowledged de facto CAMS as the federation operating in the Czech Republic, decided as a consequence:*

- *The assignation to the CAMS of the necessary authority to organize the Road Racing European Championship event, class Superstock 600cc. as well as the UEM Junior Cup, both foreseen inside the program of the Superbike World Championship event in Brno.*
- *The acknowledgement that the CAMS is authorized from the Czech Minister of Sports, Josef Dobeš, to issue sporting licences and to organize National events inside the Czech Republic.*
- *The request of affiliation to the UEM, presented by the CAMS., should be submitted to the General Assembly for the final decision as foreseen by the Statutes.*
