SECOND ROUND OF HILL CLIMB ROAD RACING IN GORNO-ONETA

The 2nd round of the new competition in the UEM, called the "Hill Climb Road Racing", was held on the beautiful Passo Zambla in the area of Gorno near Bergamo in Italy. In total 97 riders were present to race "up to the hill" for over 2290 meters of racing track and making an altitude of 181 meter.

The track has 7 square corners to the right and 8 to the left. Also 3 over 180 degrees hairpins. The average speed is not over 80 km/h.

The weather conditions were perfect so high in the mountains. All was very well organised run without any problems.
