ROAD RACE VINTAGE CUP IN DENMARK

The second round of the 2012 Road Race Vintage Cup was held at Ring Djursland Denmark on 8th & 9th September following on from the first round held at Donington Park UK in August.

The Aarhus Motor Club organized an excellent event that enjoyed sunny weather and ideal racing conditions for the 1500 spectators that attended over the weekend.

The demanding and technical 1725 metre track is well liked and attracted more riders than the same meeting in 2011.

In the Vintage Cup medals table the Finnish riders dominated the small capacity classes, the UK riders the large capacity classes and the Swedes ruled the pre 1948 and sidecar classes.
