

UEM Press Release

nr 88/2012

CHANGES TO THE SPORTING CALENDAR

The organisers of the All-Terrain Rallies Transcarpathic European Cup event, scheduled from the 21st to the 26th of July in Romania, inform that the race has been cancelled due to unforeseen problems coming from local authorities, which did not provide the required authorisation to use the chosen tracks.

The organisers and the Romanian Motorcycling Federations (FMR) apology with the riders that already registered and look forward to the next year event.

The Sidecar Grass Track European Championship event, already scheduled for the 10th of June in Cornwall (Great Britain), will be held on the 14th of July in Loppersum (The Netherlands).

Due to the impossibility to continue the Hill Climbing European Championship, due to the promoter non-compliance, UEM accepted the proposal by the French Motorcycling Federation (FFM) to organise in Arette on the 12th of August the Coupe des Nations Européennes de Montée Impossible.

The Ukraine Motorcycling Federation (FMU) reached an agreement with Youthstream and will organise on the 13th and 14th of October 2012 in Kiev the Motocross of European Nations.

The Dutch National team will have to defend the title of European Champion that was won last year in Sevlievo (Bulgaria).
