## Dragbike European Championship and Cup in Santa Pod (Great Britain)

For the first race of the Dragbike European Championship (classes Top Fuel Bike, Super Twin Bike and Pro Stock Bike) this year we saw some good racing from all the participants. Unfortunately it was raining all Saturday, but Sunday the Organizer changed the schedule and gave the Riders 3 passes which was perfect. Monday morning started out with rain, and the race was called rain out at 16,16. No winner since there was no eliminations.

The second round of the Super Street Bike European Cup was also held together with the European Championship.

Next round of the European Championship is scheduled (to be confirmed) from the 3<sup>rd</sup> to the 6<sup>th</sup> of July in Alastaro (Finland). The SSB European Cup is planned from the 8<sup>th</sup> to the 10<sup>th</sup> of August in Hockenheim (Germany).
