Road Racing Hill Climbing second round in Carpasio (Italy)

The second round with two races of the Road Racing Hill Climb European Championship was held this weekend at Carpasio/Imperia. The circuit in Northern Italy was back this year in calendar. The weather conditions were typical for June: sunny, fog and little rainy alternating. But everything was well organised and both race heats were very interesting.

Next round is scheduled on the 12th and 13th of July in Chatel-St-Denis (Switzerland) .
