European Snowcross Championship - Update

Following the cancellation because of the unsuitable weather conditions of the 2 events that were scheduled in Estonia and Russia for the 2016 European Snowcross Championship, FIM Europe is delighted to confirm that this championship will now be combined with the World Championship event in Alta, Norway on Friday and Saturday 8/9 April.

The Chairman of the FIM Europe Motocross and Snowcross Commission, Mr Eddie Herd, is extremely pleased

to have this event saved and for the riders to visit this spectacular track in the far north of Norway and expresses his sincere thanks to Youthstream, the FIM/CMS, the NMF and the Alta club together with the FIM Europe Management Council for their cooperation and assistance, without whom this event could not happen.

The Supplementary Regulations will appear on the FIM Europe website within the next few days.
