FIM Europe Executive Board Assembly at Arona (Italy)

Also this year the FIM Europe has decided to combine a big sporting event as the Motocross of Nations at Maggiora (Italy) and an institutional appointment as the Executive Board.

On Saturday, September 24th, in fact, Arona hosted the FIM Europe Executive Board Assembly. Among the most urgent decisions which were taken, the summons of an Extraordinary General Assembly to be held on Friday November 25th in Berlin, on the occasion of the FIM Year-End Events.

Such summons was necessary to update the FIM Europe Sporting Code according to what provided by the new system for Continental licences issuing, which will be centrally managed through the FIM digital platform.

This important change will start from 2017 and marks another step forward in the process of harmonization of licenses between the FIM and the CONUS.
