Press Release n. 69

Issue #03 of the FIM Europe Magazine is now online!

The FIM Europe is proud to announce that the FIM Europe Magazine issue #03 2020 is now online!

After a tough period of emergency due to the Coronavirus outbreak, the FIM Europe is back to the action with its events. Both road and off-road competitions finally took off with new and rich calendars. We are close to the end of this season but it's only the beginning for riders and teams, with a look already to the 2021 season.
