Press Release n. 98

Issue #04 of the FIM Europe Magazine is now online!

The FIM Europe is now on line with the FIM Europe Magazine issue #04!

At the end of this tough 2020 the FIM Europe closes the sporting season and focused on the new one.

Number #04 it's a view on the last events of the FIM Europe world: championships, races and meetings. First of all there is an in-depth focus on the Covid-19 situation and consequences with the special part "word to the office" by Fiumicino's staff, followed by the last reports of the sporting season. Finally, an overview on the two Sporting Commissions Meetings and the Management Council.
