### FIM Europe Snowmobile Week 2021

The Coronavirus emergency does not stop the passion for the Motorsport.

As in previous years, FIM Europe together with the Finnish Motorcycling Federation and the Snowmobile Guide Association Finland, is planning a FIM Europe Snow-Mobile Week to offer a unique snowmobile experience combined with European motorsports co-operation and workshops in the exotic Finnish Lapland.

In order to give the possibility to participate even if the Covid -19 situation, the participants have the possibility to plan a “stop and go” - visit to Rovaniemi during the week and decide the arrival and departure dates which ever suites best each participant. During the week from Monday 15.03 to Friday 19.03 a Snowmobile tour of 100-150 kilometers will be organized every day respecting all the Covid-19 restrictions.
