Press Release n. 15

FIM Europe Mini Bike Road Racing Championship 2021

After a tough 2020 due to the Coronavirus outbreak, FIM Europe is looking forward to the new season with optimism presenting two events for the European Championship Mini Bike Road Racing.

FIM Europe is glad to welcome two new national federations to host the events for 2021. The Slovakian Motorcycle Federation will be responsible for the opening round at Slovakia Ring, scheduled on 5th-6th June.

Second and final round to take place on 31st July and 1st August by the DMSB, the German Federation, that will organize the event at Cheb Kartarena in the Czech Republic.

Time schedule will remain the same with free practice on Friday, official practice on Saturday and two races on Sunday.

More information will follow shortly when the supplementary rules will be announced.
