**Motocross European Championships
Calendar Update: Finland postponed to 2022**

The FIM Europe and Infront Moto Racing regrets to inform that the **GP of Finland** originally scheduled to take place on the 21st and 22nd of August in Iitti-KymiRing with EMX250 and EMX125 will no longer go ahead for the 2021 season with the event postponed to 2022.

Due to the sudden increase of COVID-19 restrictions enforced by the Finnish government on the events industry, this year's Finnish Grand Prix cannot be run and therefore is forced to be cancelled.

The event will be replaced, on a future date to be announced soon. An updated calendar will follow in the upcoming weeks to continue this exciting season.

FIM Europe along with Infront Moto Racing and the FIM would like to thank you all for your understanding as we continue to work closely with the organisers and governments to present a complete and thrilling championship despite the current global situation.
