The Road Racing Commission presents the European Handy Bridgestone Cup

The FIM Europe, together with the Road Racing Commission, is delighted to announce the new edition of the European Handy Bridgestone Cup.

After the success of last year, Emiliano Malagoli (Di.Di Diversamente Disabili Non Profit Italy) and Stephane Paulus (HFR Non Profit France) are proud to announce the new edition of the Road Racing Championship dedicated to people with disabilities.

FIM Europe supports the championship, that is more than a race: it's a demonstration of courage and determination these guys had to start over despite their disability.

The season will see four different dates, starting from the double round at Le Mans (together with FIM EWC), following by the race at Spa (always with the FIM EWC) and the final round at Jerez de la Frontera.
