## Superenduro European Championship: second round in Hungary

First race of the year for the FIM Europe with the second round of the Superenduro European Championship, held in Papp László Budapest Sportaréna, Hungary.

As in the opening round raced in December in Poland, Sonny Goggia ruled the competition winning both race-1 and race-2 with neat and precise style. At the beginning of the season the Italian rider made the decision to join the European Championship again after narrowly missing out the crown in 2019/2020 season and is on the way for the title. With him on the podium the French Aurélien Adesso (Sherco) and Hungarian Roland Liszka (KTM).
