**EMX 65 and EMX 85 European Championship:
2022 calendar update**

The FIM Europe, together with the Motocross & Snowcross Commission, would like to inform of the update made to the 2022 racing calendar of the **EMX 65 and EMX 85 European Championship**.

The NW EMX65/85 zone round scheduled on 2-3 July at Velke Uherce, Slovakia, will now include a round of the NE EMX65/85 zone to replace the event that has been cancelled in Ukraine.

The riders in both of these zones will have completely separate practices and races and therefore the points will be awarded separately for the two zones.

Please visit the FIM Europe website for further information and updates.
