Press Release n. 36

Issue #01 of FIM Europe Magazine now online!

The FIM Europe is proud to announce that the new FIM Europe Magazine issue #01 2022 is now online!

It has been totally renewed: a new, more modern and attractive graphic design, with the aim of always giving visibility and attention to every discipline and topic.

A new season is beginning and we are still fighting against the Covid-19 pandemic, but we are also facing a new crisis: the conflict between Russia and Ukraine. FIM Europe took its position together with FIM.

Let's focus on the first competitions and some FIM Europe activities, such as the FIM Europe Club, the Environment Commission activities and the job done by the Public Affair Commission.
