

08th April 2022

Press Release n. 43

FIM Europe is pleased to announce the development of the E-Bike activities

The FIM Europe, starting from season 2022, will make his entrance in the world of the electrically assisted two-wheeled vehicles organizing a meeting valid for the assignment of the E-Bike Enduro Cup 2022.

The event will take place in Italy, in the wonderful landscape of Tuscany (Località Pasquilio, Massa), on 17th of July and will be organized by Moto Club Versilia Corse.

The format of the race will be the one of Enduro, composed by transfers and special test. The vehicles admitted will be the E-Bikes without assistance limit divided in three classes: E1 (up to 250 watts), E2 (over 250 watts, no throttle) and E3 (over 250 watts).
