This season, the Spanish venue will have the honour of hosting the FIM Europe Motocross of European Nations along with the Women's Motocross of European Nations as the event will gather some of the fastest 85cc, 125cc and 250cc riders. These riders will battle for their nation's victory and also for individual results.

FIM Europe and Infront are excited to finally see the return of the Motocross of European Nations and look forward to an exciting event in Spain.
