

6th July 2022

Press Release n. 81

Goodbye friend

It's a very sad day for the whole FIM Europe family and motorsport world.

Yesterday, Tuesday 5th July, Mr. Col Ted Bartlett has lost his fight against the cancer and it is with great sadness that we report his passing.

He has been ACU Chairman from 1997 to 2003, President from 2004 to 2008 and Honorary Vice-President from 2016, dedicating all his passion to the Enduro discipline. His association with the Army MCA will long be remembered, together with the effort and support he gave to the Army Team in the ISDE as their Manager.

For several years he has been FIM Europe Vice-President.

Ted was a much admired and respected character. Smart, confident and outspoken, he made an impression on everyone he came into contact with.

The FIM Europe passes on its deepest condolences to his family, friends and loved ones.
