Issue #02 of FIM Europe Magazine now online with a Special Supplement!

The FIM Europe is glad to announce that the new FIM Europe Magazine issue #02 2022 is now online with a Special Supplement!

Issue #02 is a review of the current sporting season: many Championships and Cups are racing their competitions and are in full swing.

The Special Supplement celebrates the 2022 FIM Europe Congress. With last two year's editions cancelled due to COVID restrictions, the FIM Europe family finally met again from Wednesday 29th June to Saturday 2nd July inside the Radisson Blu Hotel in Bucharest, Romania. The glittering European capital city was no stranger to hosting this prestigious occasion and last hosted the Congress back in 1999, and once more proved to be a successful event.

The main event was the General Assembly with the election of Michal Sikora as new FIM Europe President. Also eight Vice-Presidents, three Internal Auditors and five Judicial Panel Members have been appointed.
