### 2022 Motocross of European Nations Entry Lists

The FIM Europe and Infront Moto Racing are delighted to release the entry lists for the **2022 FIM Europe Motocross of European Nations** and the **Women's Motocross of European Nations** taking place in Talavera de la Reina, Spain on the 8<sup>th</sup> and 9<sup>th</sup> of October.

This will be the first time since 2019 that the Motocross of European Nations will make its return. Last time, the event was hosted in Gdansk, Poland, where Team Italy ended up on the top step once again, while in the women's division it was Team Netherlands who ended up on top.

The competition will be fierce this year with 10 teams in the men's and 12 in the women's, it will be interesting to see if the reigning champions can defend their crowns this time around in Spain.

Here below the full entry lists.
