

10th November 2022

Press Release n. 130

Enduro European Championship:
2023 calendar announced

ENDURO EUROPEAN CHAMPIONSHIP
2023 CALENDAR

15-16 April		Italy	FMI	Fabriano
13-14 May		Portugal	FMP	TBA
15-16 July		Estonia	EMF	Paikuse
16-17 September		Poland	PZM	Kielce

The FIM Europe, together with the promoter Maxim, is delighted to share the 2023 Enduro European calendar.

Four the rounds scheduled for season 2023.

All will start in Italy on 15th and 16th April. The city of Fabriano hosted the European Championship in 2018 and will open the 2023 season with a great race around the city.

A month later, on 13th and 14th May, the series will move to Portugal, venue TBA.

After a little break, on 15th and 16th July the Enduro European Championship will visit Paikuse, in Estonia: the organizer of Round 3# are already working to prepare a great race.

The final round will be host by Poland: the beautiful city of Kielce will host again the Enduro European Championship after the great experience of 2021.
