

30<sup>th</sup> January 2023

Press Release n. 05

The FIM Europe 2023 Yearbook is now available

The FIM Europe is glad to inform that the 2023 Yearbook is now available.

The open version can be downloaded for free [here](#), while the full edition is available in the reserved area of the FIM Europe website.

In the table of contents, the welcome from the new elected FIM Europe President Michal Sikora, the story, the organization and the structure of the FIM Europe, as well as info about International and National Organizations, Federations and Regional Associations.

The Yearbook also contains the 2022 sporting results, the roll of honour of the European Championships and Cups and a preview on the 2023 sporting season and events.
